The institution is therefore in compliance with Title IV of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972 and Section 504 of the Vocational Rehabilitation Act of 1973. ## **FORWARD**

The student handbook is provided for your information. Although it does not include all of the issues that will arise through the course of a school year, it will serve as an overall guide for students to follow.

We ask you to keep in mind that rules and regulations are designed to serve the student body as a whole and that this school is strongly dedicated to defending your right to an undisturbed, safe environment for your high school education.

Dear Student:

As your high school principal, I am excited to welcome you to Macon High School. Although many of you are returning for another great year at MHS, the freshman class as well as students that are new to the district, are just beginning to familiarize themselves with high school-life at MHS.

We refer to MHS as a "community of learners" or a place where students have an outstanding opportunity to learn. It is our goal to meet the needs of all students and work hard to create self-directed lifelong learners. As a student, your success at MHS is enhanced when you take full advantage of the opportunities that are available through our school curriculum as well as co-curricular and extra-curricular activities.

Please remember if you have a question or concern, I am available to assist in any way possible. It is important to remember that the entire staff at MHS is available to assist students in a variety of ways. I anticipate developing a positive educational relationship with you and look forward to a rewarding 2017-2018 school year. It is my hope that when you reflect on your time at MHS, you will always do so with "Tiger Pride".

Dr. Kristi Weldon, Principal

Student Council (STUCO) would like to wish everyone good luck in the upcoming school year and welcome students who are new to MHS. Macon High School has a student-oriented curriculum, with many outstanding activities to participate in: academics, athletic teams, extracurricular activities and clubs.

STUCO is involved with the activities here at school and would be happy to answer any questions you might have. We're planning many fabulous activities along with the other clubs in school. Please get involved in something and stick with it! Again, good luck and above all, have fun!

### High School Vision

Develop a culture of mutual respect and academic excellence through rigorous instruction which produces college and career ready students.

### SCHOOL CITIZENSHIP POLICY

This policy determines if a student meets the citizenship standards required of Macon County R-I to represent the school in any school activity. A major goal of each school activity is to teach and promote good citizenship and sportsmanship. It is important to have a written policy concerning good school citizenship so coaches, sponsors of activities, the administration and the Board of Education can work consistently with all students. Students participating in any activity should be aware and informed of the contents of this policy as it may affect them. This should be done prior to the participation of the student. It will be the responsibility of the individual in charge of an activity to ensure that the student is informed prior to participation.

**1) GOOD CITIZENSHIP** results when a student is in good standing with the school, community, and society. Any student whose conduct reflects discredit on the school, a team, or an organization would not be considered a *credible* school citizen. Such misconduct could lead to suspension from school as well as a school activity and the individual may not represent the school during the suspension.

This conduct includes but is not limited to:

- Breaking the law other than minor traffic offenses
- The use, distribution, or promotion of illegal and/or illicit activities and behaviors. This includes but is not limited to personal websites, cell phones, and social networking sites (such as My Space, Facebook, and YouTube, etc.)
- “Hazing and other inappropriate initiation practices will not be tolerated as a member of any athletic team or organization.

Students are responsible for following the guidelines of the citizenship policy year round.

### **2) ATHLETICS:**

- a) Athletes must comply with the training rules set by the coaching staff of Macon County R-I Schools. These rules are to be in writing and each athlete is to receive a copy.
- b) A coach may suspend an athlete for one game but must inform the Principal. In cases where suspension for the season or semester is necessary, the Principal, Athletic Director and Superintendent

- shall be included. Parents are to be informed prior to any suspensions from an activity.
- c) An athlete may be suspended from interscholastic competition and still be required to participate in practices awaiting the end of the suspension.
  - d) Athletes must comply with the MSHSAA regulations.

**3) OTHER SCHOOL ORGANIZATIONS:** School organizations may have rules of conduct and responsibilities. These rules should be in written form. Each participant is to be informed of the rules, responsibilities and the effect they may have upon student participants. Violating training rules, inappropriate school behavior, and disrespect for school employees, truancy, or any conviction or charge (with probable cause) could result in a suspension penalty.

### **Procedures that will be followed to enforce violations of the citizenship policy**

Punishment administered for acts of poor citizenship:

If a violation of the citizenship policy occurs at any time during the calendar year the student will be subject to the guidelines contained in the policy. Any student violating the citizenship policy will be assigned one of the penalties listed below.

(A student or the student's parent/guardian is required to report a violation to a coach or sponsor within 48 hours of the violation. If the coach or sponsor learns of the violation by other means, 365 days will be added to the punishment as mandated by MSHSAA.

Violations are cumulative for the school year under this policy except for drug and alcohol violations which are cumulative for a student's entire high school career. If probations and suspensions are completed by the end of the school year, the student's good citizenship status is reinstated for the following school year for all violations other than drug and alcohol. (Alcohol and drug violations would carry over.) Suspensions or other requirements not fulfilled during the current school year will be carried over into the next school year until completed.

### **Consequences**

**Summer Violations:** If a student commits a violation of the citizenship policy from the time school ends in the spring until practice starts in August for the fall sports season, it will be considered a summer violation. Any student that breaks a law other than minor traffic offenses during the summer will result in the student being suspended from all activities for the first two calendar weeks of school. Students may fulfill the suspension by sitting out the required number of games or by sitting out the required number of competitions or performances, whichever comes first on the school calendar. The student will be required to miss a minimum of the first two games or all officially scheduled games during the two calendar weeks of the suspension. For students not in athletics, the student will miss at least one performance or competition or all performances or competitions scheduled during the suspension. 2<sup>nd</sup> offense in the same year: the student will automatically fall under the conditions of a level 2 violation of the citizenship policy.

According to National Honor Society rules any infraction results in permanent expulsion. Students in any other school activities outside the regular classroom are required to attend practice but will not be allowed to participate in any type of performance or competition until the entire suspension has been served and all reinstatement requirements have been met.

**Probations:** Students that have minor violations of the citizenship policy can be put on probation for up to one school year. If a second incident occurs while they are on probation, they will receive a level two penalty depending on the violation.

**Level One Violation:** Minimum suspension of 10 school days up to a maximum suspension of 20 school days commencing from the date action is taken by school officials from all school activities outside the regular classroom (MSHSAA activities, extra-curricular activities, and club and organization activities.) If the infraction occurs during the pre-season, the student will be required to miss a minimum of the first two games

or all officially scheduled games during the two calendar weeks of the suspension. For all other school activities the student will miss at least one performance or competition or all performances or competitions scheduled during the suspension. (If the suspension requirements have not been previously met in the two week suspension.) According to National Honor Society rules any infraction results in permanent expulsion. Students in any other school activity outside the regular classroom are required to attend practice but will not be allowed to participate in any type of performance or competition until the entire suspension has been served and all reinstatement requirements have been met. All level one suspensions would carry over from one school year to the next if all requirements were not met during the current school year.

*Level Two Violation:* Minimum suspension of 28 calendar days up to a maximum of 180 calendar days commencing from the date action is taken by school officials from all school activities outside the regular classroom (MSHSAA activities, extra-curricular activities, club and organization activities). Loss of privilege to compete interscholastically for the remainder of the current sports season, or if the remainder of the current season is less than four (4) weeks, to carry over into the next sports season that student participates in up to a maximum suspension of 180 calendar days from competition. A student would be required to practice from the beginning of the next sport if they become eligible during the season. A suspension would include a minimum of four games missed to fulfill the requirements of the suspension. For all other school activities the student will miss at least 2 performances or competitions or all performances or competitions scheduled during the suspension (If the suspension requirements have not been previously met during the suspension.) All level two suspensions would carry over from one school year to the next if the requirements were not met during the current school year.

*Level Three Violation:* Minimum suspension of one calendar year, maximum suspension for the remainder of a student's high school career commencing from the date action is taken by school officials from all school activities outside the regular classroom (MSHSAA activities, extra-curricular activities, club and school organization activities). Students in any other school activities outside the regular classroom may continue to attend practice but will not be allowed to participate in any type of performance or competition until the entire suspension has been served and all reinstatement requirements have been met. All level three suspensions would carry over from one school year to the next if the requirements were not met during the current school year.

#### **Additional Citizenship Information:**

1. Parents should be contacted for a conference each time disciplinary action is taken which results in suspension from participation in activities.
2. Student under arrest: If there is admission of guilt by the student or if, after reviewing the case, school officials feel there is strong evidence, e.g., witnesses which indicate probable guilt, then school officials are required to restrict the student from participation before legal outcome of the case. All conditions set by the courts (fines, community service, or any other conditions must be fully completed before a student is eligible for competition or performances. (See MSHSAA handbook for more information.)
3. Student involved in inappropriate behavior: i.e., truancy, disrespect to teachers, fighting, using abusive language or other examples of misconduct.  
After a review by the head coach, sponsors, building coordinator and principal, the student and parents will be notified of the results. Penalties will range from a reprimand and placing the student on probationary status to temporary or permanent restriction from representing the school in interscholastic activities. The seriousness of the case and attitude of the student will affect the determination of the penalty. Reoccurrence will require that permanent restriction be considered.
4. Unsportsmanlike Acts: Such acts during a contest resulting in ejection from participation will cause the student to be restricted from representing the school for the next contest. A student who commits an unsportsmanlike act but is not ejected may also be subject to at least a one game restriction from representing the school. Each instance of unsportsmanlike behavior is to be

reviewed by the head coach, athletic director and principal before a final decision is reached.

5. Drug and alcohol violations are considered to be very serious violations of the citizenship policy. This type of violation will be subject to a cumulative policy for grades 9 through 12.

6. Administrators, coaches, and sponsors will work together in enforcing the citizenship policy.

The above rules are minimum standards only. Administrators, coaches, and sponsors reserve the right to deal with acts of poor citizenship more severely, if necessary.

\* A season begins with the first possible practice date for any sport or activity as determined by MSHSAA guidelines and ends with the final event in that sport or activity during a given school year for Macon County R-I participants. 6/2001

\*\* Probation: A period of time when the student's good citizenship status has been jeopardized by the student's actions.

## SECTION II – SCHOOL OPERATIONS

### STUDENT ATTENDANCE

All students are expected to attend school regularly and to be on time for classes. This is necessary for each student to obtain maximum benefits from the instructional programs and to develop habits of punctuality, self-discipline, and responsibility. There is a direct relationship between poor attendance and failure to achieve in school. The purpose of this attendance policy is to assist in assuring that each student at Macon High School and Macon Area Career and Technical Education Center receives the best educational experience possible.

- Students may not be absent for more than 8 total days or 8 periods from any one class in a semester to earn credit for the class. Any absence except for school sponsored activities will count towards the 8 times a student can miss class and still earn credit.
- **Doctor excused absences will count against the attendance policy.** However, if a student exceeds the 8 days allowed, doctor excuses will be considered during the appeal process. The doctor excuse should include the time of the doctor appointment. Going to the doctor does not automatically excuse you for the entire day. We expect students to return to school immediately after their appointment is over.
- The school day is divided into seven 54-minute periods. Students arriving to class at least 25 minutes late or leaving 25-minutes early will be considered absent for the entire period.
- Any student exceeding the 8 total days or 8 class periods in a semester will not earn credit for that class. If a student maintains a passing grade in the class, a "N/C" (no credit) will be placed on their official transcript. If a student receives an "F" for a grade in the class, an "F" will be placed on their official transcript.
- When a student exceeds 8 absences in a class(es) they may restore lost credit by attending Saturday make up sessions. A student may attend a Saturday make-up session and regain one day towards the attendance policy requirements for each Saturday session he/she attends. A Saturday make-up session runs from 8-11. Students must be on time and must stay the entire time to make up a missed day of attendance. If a student is one hour over in one class they may go to an after school detention. One after school detention (one hour) is equivalent to making up one hour of absence. If a student is over the attendance policy in two or more class periods they will be required to attend a Saturday detention to restore credit for the hours exceeding the attendance policy.
- Students will need to make up all work when they are absent. Students are given one day for each absence to make up their work. If a student misses one day of attendance they should check with their teachers before school the next day to get their assignments. The counselor's office will collect homework for students who have missed more than one day of class if requested by the student or parent/guardian.
- Students absent from school due to a school-sponsored activity will not be penalized for that absence; however, they are expected to make up all work missed.
- When a student has missed his/her 5<sup>th</sup> absence per semester, the school will notify the parent in writing/email that the student is in danger of failing to earn credit due to excessive absences.
- With a student's 9<sup>th</sup> absence in a semester, the parent or legal guardian will be informed in writing by the principal or Career Center director of the "no credit". A requirement to appeal losing credit in a class(es) is to attend at least one Saturday make-up session to make up a day of absence or one after school detention if it is only one class the student exceeds the limits set by the attendance policy. Any student who exceeds the 9 absences and

receives a no credit must appeal within ten school days. Appeals should be turned into the high school principal. An appeals committee will consist of a high school or career center administrator and two guidance counselors. Appeals will be considered only on the basis of medical records, emergencies, or special circumstances (for example: surgery during the semester). Loss of credit due to truancy is not a valid basis for appeal. The attendance committee has the power to re-establish credit or establish guidelines by which the student can receive credit. All further appeals must be made in writing to the Superintendent within ten school days.

- In the case of pre-arranged extenuating circumstances, the high school principal may waive the 8 day attendance policy requirements.
- The attendance policy goes by the semester. A student can miss up to eight days each semester without losing credit.
- Students that exceed the attendance policy in the final two weeks of the semester that want to recover their credit must meet with the principal to set a schedule to make up the days missed in a timely manner. This schedule should be set and agreed on by the student and principal. If the student does not attend a scheduled Saturday agreed to by both student and principal they will not be able recover their credit. Unique circumstances that cause a student to miss will be considered in rescheduling a Saturday make up session.
- Students will not be permitted to leave school grounds once they arrive on campus without the consent of the principal or career center director. Under no circumstances will students be permitted to drive a car on an errand for a teacher without the express consent of an administrator. Students arriving late must sign-in the high school office, and students leaving school before the scheduled end of the school day must sign out of the office. Students who arrive late or who wish to leave early must have parental verification in the form of a written note or telephone call to the principal; otherwise, they will be considered truant for those hours during which they are absent.

### **Student Bereavement Policy**

In the event of a death in the immediate family, the student will be school excused with proper documentation, the following days:

- Parents, step parents, spouse, child, step child, brothers, sisters, stepbrother or stepsister will be school excused for a total of up to 5 consecutive school days.
- Grandparents, step grandparents, aunts and uncles will be school excused for a total of up to 2 consecutive school days.

Documentation may be in the form of a funeral home or memorial service program. All bereavement days will be approved by the principal.

### **ATTENDANCE MAKE-UP GUIDELINES**

Saturday School is available every Saturday, or as necessary, from 8:00 a.m. to 11:00 a.m. and at other times on an “as needed” basis for students. Students who have unavoidable Saturday conflicts must have their need for an alternative date approved by building administration.

1. One Saturday School day is the equivalent of one regular school day.
2. Students have two Saturday detentions following an absence to make it up, after which the absence may not be made up without special consent from building administration.
3. Saturday School to make up days missed is not mandatory; rather, it is a voluntary program for students wishing to make up credit due to excessive absences.

### **ATTENDANCE REGULATIONS – CAREER CENTER**

Daily attendance will be taken in all classes. The sending schools will receive a daily attendance report. Students are not allowed to leave school at any time without permission. Absences because of school-sponsored activities or other school connected absences will carry no penalty, provided the area school official notifies the Career Center School.

Students enrolled in the Career Center are expected to be in attendance at a 90% rate; students that exceed 10 percent (9 days) during a semester may require special permission from the teacher, Career Center director, and the home high school principal to enroll in the next semester of training at the Career Center. (90% attendance

is required in order to receive a Career Center completion certificate.)

### **ADMIT TO SCHOOL PASS**

Students who arrive at school late must get a school pass from the office. The pass will admit the student to school for the day. Career Center students other than Macon R-I need to sign in and get admit passes from the high school office when late to class.

### **TEACHER ASSISTANT PROCEDURE**

A student can be a Teacher Assistant with advanced approval of the guidance office for ONE period per semester. TA's must have a B+ average (3.0 G.P.A.) a 93% attendance rate the previous semester, and must have completed their A+ tutoring hours to be eligible for the teacher assistant program. Students will be assigned by the A+ coordinator to their classroom. These students must follow all teacher rules, should arrive at their assigned classes on time and should not leave their class until the period has ended. Students that leave their classes early will need to report to the high school office.

No credit will be awarded for this participation. If a senior has permission to leave school to go to work or attend college or technical training during school class times that student may not be a Teacher Assistant. The student and the teacher must sign a Teacher Assistant Agreement Form. The teacher assistant is extended to junior and senior students who have more flexibility in their schedule. Any student who is a TA must remember they need (3) three credits to be eligible for MSHSAA activities. You are only taking (3) credits when you TA. If you fail any class you are taking while being a TA you will be ineligible the following semester.

### **TARDY POLICY**

Students should learn to be prompt. Promptness is a habit and should be learned by the student that it is their responsibility to be at an assigned place at an assigned time. In most cases there is no excuse for tardiness. Students are given four (4) minutes to get from one class to another. If a student arrives in class after the tardy bell has rung he/she is to be admitted to class with a hall pass.

Each student will be allowed a total of seven (7) tardies per semester. If a student has an eighth (8) tardy, that student will be assigned to an after school detention held one afternoon a week, if needed. The after school detention will start promptly at 3:30 and be over at 4:30. You must be on time, if you are tardy to this detention you will not be allowed to attend. If a student doesn't serve the assigned after school detention after seven (7) tardies, they will receive one (1) day Saturday Morning Detention. Students will be given a choice of serving their after school detention this week or next. If a student misses an assigned after school detention, they automatically will receive one (1) day *Saturday Morning Detention* unless exceptional circumstances apply. This will be evaluated individually by the building principal. The principal may opt to reschedule the detention for the student. After eight (8) tardies – a student will serve another after school detention for every fifth tardy. (For example: at 8, 13, 18 etc. tardies). This policy will be in effect for all classes, including classes for no credit (example: Teacher Assistants) Tardies are disciplined per semester.

Level one:	8 tardies	one after school detention
Level two:	13 tardies	one after school detention and 1 day Saturday Morning Detention
Level three:	18 tardies	one after school detention, one day Saturday Morning Detention 1 day of In School Suspension (ISS)
Level four:	23 tardies	2 days ISS
Level five:	28 tardies	3 days ISS for this and any more subsequent levels of violation for being tardy.

If a student misses an assigned Saturday Morning Detention: the first time they will receive 1 day of In School Suspension (ISS). The second missed Saturday Morning Detention will result in making up the missed Saturday detention plus one day of In School Suspension (ISS). If you miss the rescheduled Saturday detention you will be assigned a second day of In School Suspension. If you miss a third or more Saturday Morning Detention it will result in 3 days of In School Suspension (ISS).

## **SCHOOL BUS REGULATIONS**

- 1) The bus driver is in charge of the pupils and the bus. ## **MACON R-1 SCHOOL GUIDELINES FOR IN-SCHOOL SUSPENSION**

Students assigned to IN-SCHOOL SUSPENSION must display a cooperative attitude and follow the guidelines and procedures of the program.

The purpose of the IN-SCHOOL SUSPENSION program is to provide intervention strategies designed to prevent or minimize non-productive behavior in the school environment. The program is designed to help repetitive discipline problems with a positive plan. IN-SCHOOL SUSPENSION gives students an opportunity to remain in school and complete homework assignments. The focus remains on learning, problem solving, and the value of education, rather than on the misbehavior and disciplinary action. Students in the IN-SCHOOL SUSPENSION program must accept and abide by the following guidelines:

This will allow students who leave early to exit the parking lot with the least amount of difficulty. Students who park their cars in an illegal parking area or fail to park properly in the designated parking area will not be allowed to park their cars on school property. Failure to obey these parking regulations may result in the vehicle being towed away at the owner's expense. Students are required to turn off cell phones during the regular scheduled school day unless otherwise instructed. If cell phones/technology devices are being used in an inappropriate manner during the regularly scheduled school day they will be confiscated. If a student is instructed to not use technology devices/cell phone during class time and they knowingly violate the rule, the technology device/cell phone will be confiscated and turned into the office.

- First Offense: The phone/technology device will be confiscated and kept in the office for the rest of the school day. The phone/technology device will then be released to the student. The student will be assigned a Saturday detention.
- Second Offense: The phone/technology device will be confiscated and kept in the office for the rest of the school day. The phone/technology device will then be released to the student. The student will be assigned 2 Saturday detentions
- Third Offense: The student will be assigned 3 Saturday detentions.
- 

Each offense after the third would result in one more additional Saturday detention. If students are assigned a Saturday detention for violating the cell phone/technology device guidelines and don't serve the assigned detention they will be assigned a day of in school suspension. If parents or students request it, cell phones/technology devices may be left in the office in lieu of serving a Saturday detention.

When the assembly is over the faculty will be dismissed first followed by the seniors, juniors, etc.

## **MACON COUNTY R-I EMERGENCY PROCEDURES**

The first tenet of any emergency procedure is that each student familiarizes him/herself with the proper procedures for each drill. The next important step and one that is equally important is that each person remains calm and listen for any supplemental instructions which may be issued.

### **A. EVACUATION PROCEDURE**

The signal for Evacuation real or practice is the fire alarms and strobe lights activating. Directions are posted in each classroom area and will be issued by the classroom teacher. Once students have exited the building they are not to leave their designated outside assembly area and are not to re-enter the building for any reason until the all clear signal has been given over the intercom or by building administration.

- In the event of emergency evacuation teachers and students should report to their assigned location outside the building. If possible everyone should take purses, coats, keys and other necessary belongings with them.
- After arriving at the designated location teachers will take roll to ensure all students are accounted for and wait for instructions.
- It is extremely important that teachers continue to supervise students that are in their class in the event of an emergency evacuation. (It is more feasible to supervise students in smaller groups as opposed to a large group.)
- High school students who are in the elementary building during an evacuation should stay with the teacher in the elementary building and follow their evacuation procedure.

### **B. DISASTER PROCEDURE**

The signal for a disaster drill, real or practice will be an announcement over the intercom system by a school official "Tornado Warning, evacuate to your assigned location" Wait for further instructions over the intercom or from building administrator. Directions are posted in each classroom area and will be issued by the classroom teacher. Once the students have arrived at the designated area they

are to sit on the floor, place their head on their knees, cover their head with their hands, remain quiet and listen for any additional instructions. At all times they should keep their faces turned away from any glass. At no time should any student leave the designated assembly area for any reason until the all clear signal has been given over the intercom or by building administration.

**C. EARTHQUAKE DRILL**

Follow the earthquake disaster preparedness plan for the welfare and safety of students and staff prepared by the school district and the Macon Civil Defense. The students should follow the instructions given to them by their classroom instructor. For more information on how to prepare for an earthquake go to [www.sema.dps.mo.gov](http://www.sema.dps.mo.gov)

**D. INTRUDER DRILL**

Follow the Plan of Action developed to provide safety to teachers, students and staff.

**TO PARENTS OR GUARDIAN OF STUDENTS**

We want you to be aware that this school has made many preparations to deal effectively with emergency situations that could occur in or around the school, both during the school day and during after hours activities. While we hope that a natural disaster or other serious incident never occurs, our goal is to be prepared for any potential emergency. At all times, our first priority is to protect all students, staff, and guests from harm. In order for our emergency response plans to be effective, we depend on the cooperation and assistance of many people, such as the police and the fire department. We also depend on you, as parents, to support our disaster-response efforts. Your cooperation is vital to helping us protect the safety and welfare of all children and school employees.

Therefore, we ask parents/guardians to observe the following procedures:

- Do not telephone the school. We understand and respect your concern, but it is essential that the telephone system is available for emergency communications.
- Make sure that we have emergency contact information for each of your children at all times. We must be able to contact you or your designated representative in an emergency.
- Tune your radio to KRES (104.7 FM) for emergency announcements and status reports. You also will receive instructions on where you should and how/when you may be able to pick up your children. Our school emergency plan includes evacuation procedures with several alternative destinations. When appropriate and safe, students may be released to their parents/guardians from these shelter locations. Under those circumstances, we will be prepared to implement procedures for confirming the identity of individuals who arrive to pick-up each child. When arriving to pick up your children, please make sure that you have with you your driver's license or government issued picture identification.
- Do not come to the school until instructed to do so. It may be necessary to keep the streets and parking lot clear for emergency vehicles. If evacuation is required, students may be transported to a location away from school. You will be notified of this through the media bulletins.
- Talk to your children and emphasize how important it is for them to follow instructions from their teachers and school officials during any emergency.
- Parents and other adults must stay calm and focused in an emergency, mindful that their actions and comments will be the example that, to a great extent, determines the children's response.
- Carefully read all information you receive from the school. You may receive updates about our safety procedures from time to time
- When your child is at home following an emergency, try to keep your child away from news being broadcast over the various media. Have an emergency plan at home. Decide on a telephone number to call outside our community or a place to rendezvous if separated. Keep a "disaster supplies kit" containing drinking water, nonperishable food, batteries, flashlight, radio, medication, toothbrushes, etc. ([www.redcross.org](http://www.redcross.org)).

We are proud that ours is a safe school, and we are doing everything possible to keep it that way. We

appreciate your cooperation and support. If you have any questions about this information or other aspects of our safety procedures, please contact Macon High School at 660-385-5748.

### **CONTINUING A CAREER CENTER SCHOOL PROGRAM**

- Students must demonstrate the ability to work with others, show independent resourcefulness, have a positive attitude, interest in acquiring placement in the occupational area in which enrolled and demonstrate appropriate behavior in the classroom and laboratory (shop).

### **MACON CAREER CENTER-AGRICULTURE ENROLLMENT POLICY FOR STUDENTS WHO WISH TO ENROLL IN THE SECOND SEMESTER OF A YEAR LONG CLASS:**

Although it is not encouraged, it is possible for a student to enroll for the second semester of a year long class in the Agriculture Education Department. The criteria for acceptance are listed below.

  - In the event that the student’s interest in agriculture is questioned the Director of the Macon Career Center will investigate the matter and make the final decision of enrollment.

### **CLASS CHANGE POLICY**

A great deal of time and effort is given to a school’s master schedule. Students are informed during registration to choose courses carefully, therefore, most changes are considered unnecessary. No student will be allowed to

enroll in a course after five class days each semester. If a student has sufficient reason, he/she may drop a class the first ten (10) days of a semester without penalty. After the tenth day, a failing grade will be recorded on the permanent transcript for a dropped class. In an emergency situation (such as prolonged illness), a student may request in writing a waiver of the failing grade from the Principal who will make a decision based upon the recommendations of the teacher of the class and counselor. If you believe you have valid cause to change your schedule please contact the guidance office.

### **PROGRESS REPORTS**

11. A senior from another Missouri high school, who enrolls at Macon High School for their final semester, will follow their previous high school's graduation requirements.
12. A student who transfers in from another school that has weighted classes will only receive weighted grades credit on the weighted classes offered at Macon R-I for their graduating class. Other weighted classes they have taken will be transcribed using a 4.0 credit grading scale.
13. The actual granting of a diploma at commencement exercise is dependent upon the student meeting all requirements for graduation and attending commencement practice. Students who do not meet the requirements for graduation WILL NOT participate in commencement exercises. However, the Individualized Education Program team will determine when a student with disabilities who will not graduate with his or her class will participate in a graduation ceremony. Students that utilize this option will only be allowed to participate in one commencement ceremony during their high school career.

### **ARTICULATION AGREEMENTS**

## **MACTEC Articulation Agreements with Post-Secondary Institutions**

Articulation is a process whereby a post-secondary institution recognizes that high school

graduates have already learned the material in selected entry-level courses. MACTEC has signed articulation agreements with several institutions, indicating that they will waive a specific course(s) because of the training the students have received at the Career Center. Each institution has the right to place additional requirements on their articulated credit agreements—e.g., must meet institution’s admission criteria, must pass an approved test, must have a specified high school GPA, etc.

**It is always the student’s responsibility to contact their post-secondary institution for the specific requirements of each agreement and to arrange for the credit to actually be put on their transcripts.**

### **Missouri Statewide Articulation Agreements**

In an effort to simplify the articulation process, the Missouri Department of Elementary and Secondary Education has established statewide agreements that allow students to articulate high school credit to any Missouri two-year institution in the following career programs:

Automotive Technology      Building Trades      Culinary Arts      Industrial Welding

Students must meet guidelines for the articulated credit. Full information is available:  
[http://dese.mo.gov/divcareered/articulation\\_agreements.htm](http://dese.mo.gov/divcareered/articulation_agreements.htm)

### **Individual Articulation Agreements**

In addition to the statewide agreements, MACTEC has entered into agreements with the following institutions for students who have completed their programs.

<b>Automotive Technology</b> Indian Hills Community College Linn State Technical College North Central Missouri College	<b>Early Childhood Careers</b> Indian Hills Community College Moberly Area Community College North Central Missouri College
<b>Building Trades</b> North Central Missouri College	<b>Graphic Design and Printing</b> Moberly Area Community College

### **COLLEGE DAY ABSENCE**

Macon High School juniors and seniors must complete a college day absence form prior to the date of the proposed college visit. The form, signed by the student’s parent or guardian, must be presented at the high school office prior to the college visit. Juniors and seniors are allowed one per semester or a total of two visits during their junior or senior years combined. The bottom portion of the form must be signed by a college official verifying the college visit. This completed form must be returned to the high school office on the day the student returns to school. If the student fails to complete the forms and follow the outlined procedure the

student will be considered absent on that day of school. College Day Absence Forms may be obtained in the high school office or guidance office.

### **CORRESPONDENCE COURSE**

Correspondence courses can be taken to gain a maximum of one credit towards credits needed for graduation. All correspondence courses must be approved in advance by the high school principal and counselor. The correspondence course must be enrolled in by February 1<sup>st</sup> of the current school year. No student will be allowed to take more than two (2) correspondence courses (1 unit credit) to earn credits needed towards graduation.

### **DUAL CREDIT COURSES**

For a student to be eligible to take dual credit courses during their high school career, they must sign up to take the PLAN Test during their sophomore year. Dual credit courses offering credit for high school and college credit may be taken in many junior and senior level courses. The high school counselor will visit classes to inform students about enrolling in dual credit courses. There is a tuition fee paid directly to Central Methodist University, Missouri State University, or Moberly Area Community College, for students enrolling for college credit. The full cost of tuition must be paid when the student enrolls in a dual credit course.

### **EMBEDDED CREDIT-Math**

Macon Area Career and Technical Education Center (MACTEC) offers a math embedded credit for those students who complete one of the following two-year career programs: **Culinary Arts, Computer Programming, Early Childhood Careers, Graphic Arts, Building Trades, Automotive Technology, or Industrial Welding.**

One hour of elective math credit (Technical Mathematics) is awarded on a pass-fail basis if students meet the following requirements:

- Maintain a 70% average in their chosen program;
- Complete the embedded math curriculum for that program; and
- Pass the WorkKeys *Applied Mathematics* subtest at a level four or higher.

Students will take a practice WorkKeys test in the fall of their junior year. They will then work on a curriculum on the KeyTrain program at their own pace until completion. Students will then test on the WorkKeys Applied Mathematics. Students scoring a level 3 will have one more opportunity to retest at the school's cost following additional remediation. Students scoring below a level 3 should plan to earn their math credit through their high school. If a student has not achieved a level 4 or above by the end of their junior year, he/she should plan to get that math credit at their high school.

### **EMBEDDED CREDIT-English**

MACTEC offers one English embedded credit for students who complete one of the following two-year career programs: **Culinary Arts, Computer Programming, Early Childhood Careers, Graphic Arts, Building Trades, Automotive Technology, or Industrial Welding.** It also offers an embedded English credit for a three-course completion in **Agriculture.**

- I. One elective English credit (Technical English) is awarded on a pass/fail basis in **Culinary Arts, Computer Programming, Graphic Arts, Building Trades, Automotive Technology or Industrial Welding** if students meet the following requirements:
  - Maintain a 70% average in the their chosen program;
  - Complete the embedded English curriculum for that program; and
  - Pass the WorkKeys *Reading for Information* and *Locating Information* subtests at a level four or

higher.

Students will take a practice WorkKeys test in the fall of their junior year. They will then work on a curriculum on the KeyTrain program at their own pace until completion. Students will then test on the WorkKeys *Reading for Information* and *Locating Information* subtests. Students scoring a level 3 will have one more opportunity to retest at the school's cost following additional remediation. Students scoring below a level 3 should plan to earn their English credit through their high school. If a student has not achieved a level 4 or above by the end of their junior year, he/she should plan to get that English credit at their high school.

II. One elective English credit (Technical English) can be awarded to students who complete the two-year program of **Early Childhood Careers**. During the program, students create a career portfolio which includes a job application, cover letter, resume, and reference page. In addition, the class has additional English-related assignments on which students must score a 70% or better in order to receive the embedded credit.

III One elective English credit (Technical English) is awarded to students who complete the **agriculture** course sequence of Agriculture Science I, Agriculture Science II, and Agriculture Communications. ## **WEIGHTED GRADES PROGRAM**

A weighted grades program was adopted by the board of education in the spring of 2010. The following is the implementation schedule and how the program will work.

- All classes graduating after 2013 will use the weighted grade system listed below.
- Weighted classes are any dual credit courses offered by Macon High School or the Macon Career Center plus Physics. English III will not be a weighted course for the 2017-2018 school year. A committee will meet annually to look at the classes that are offered by the high school and career center to evaluate if any classes should be added or removed from being a weighted class. This committee will be made up of two teachers, two counselors, two administrators and one school board member. There will be three members of the committee from the high school and three from the career center plus the one board member.
- The grade scale being used for weighted classes will add 0.33 to any letter grade received in a weighted class compared to a non-weighted class:

Grade	Weighted Class	
96 – 100%	A	4.33
90 – 95%	A-	4.00
87 – 89%	B+	3.67
83 – 86%	B	3.33
80 – 82%	B-	3.00
77 – 79%	C+	2.67
73 – 76%	C	2.33
70 – 72%	C-	2.00
67 – 69%	D+	1.67
63 – 66%	D	1.33
60 – 62%	D-	1.00
0 – 59%	F	0.00

Anyone taking a weighted course (whether you take it for dual credit or not) will receive grade points based on the weighted grading scale.

Academic honors are figured on the total number of credits taken. Students and parents need to understand that taking more or less credits, both weighted and non-weighted, will affect the final grade point average. If you have any questions, consult with the counselor's office.

### **CREDIT RECOVERY PROGRAM**

Students that have two or more semesters of core classes that must be retaken to meet graduation requirements may qualify for a credit recovery program during the regular school day. Space for this program is limited. Check with the high school counselors to see if you meet the requirements for this program.

Students that have failed a semester or more of required core classes will be able to apply to the high school counselor's/principal's office to regain credit by attending an after-school credit recovery program. This program will use a computer program that students must successfully complete to regain credit. There are other requirements that must be met in order to regain credit through this program. Students interested in this program should come in to the above listed offices to find out more information about this program and its requirements. This program is limited in the number of students that will be able to participate in the program. If there is not enough room for students asking to participate in the program, the students closest to graduating will be given priority over students with fewer credits.

All credit recovery classes taken will be recorded as pass/fail grades on student permanent transcript records.

### **A+ SCHOOL PROGRAM**

Macon County R-I School District has been designated as an A+ School by the Missouri State Board of Education at the April 1999 meeting. There are three goals of the A+ School Program.

1. All students will graduate from high school.
2. All students will take a challenging selection of courses
3. All students will go on to post-secondary education or a high wage job through this program

A+ student's will be eligible for reimbursement of the cost of tuition, and fees to public community colleges or technical schools after high school graduation. Reimbursement could change if the state doesn't fully fund the program. To be eligible a student must:

1. Attend a designated A+ School for three years.
2. Graduate with a 2.50 or higher grade point average on a four point grade scale.
3. Have at least a ninety-five percent (95%) attendance record (no more than eight (8) absences each year. Any day that you are absent from school for any reason will count against the 95% attendance rate required by this program except school activities and field trips.
4. Perform fifty (50) hours of unpaid tutoring or mentoring for younger students.

5. Maintain a record of good citizenship and avoidance of the unlawful use of drugs.
6. Make a good faith effort to first secure all available federal postsecondary student financial assistance funds that do not require repayment.
7. Register with the Selective Service.

Students that fail a random drug test through the random drug testing program initiated at Macon R-I High School will lose their A+ eligibility. Any student that has consented to be part of the student drug testing program, is randomly selected, and refuses to be tested at any time will lose their A+ eligibility. For more information on this topic read policy JFCI-AP and JFCI. These policies are available at the following website: [www.macon.k12.mo.us](http://www.macon.k12.mo.us)

More information about the A+ Program is available in the A+ office.

#### A+ Honors Proposal

The proposal states that the A+ Program should be amended so to have two tiers: A+ and A+ Honors beginning in the 2017-2018 school year. The distinction will show as a difference of certificate, and the ability to add to college resumes a distinction in honor. The program itself will align 100% with the A+ program. It will only add to the program. This is an attempt to help freshmen better transition into high school, and to allow elementary students access to positive role models.

Proposed changes via A+ Honors:

- 10 hours beyond the 50 hrs. mandated
  - The 10 hrs. must be spent in direct student contact during lunch.
- 3.10 GPA
- Two or fewer office referrals
- The A+ Coordinator will serve as the coordinating teacher,
- Must be a Senior in good standing

(each lunch shift is 20 minutes, thus 10 hours will equal about 30 lunch shifts)

#### **ACADEMIC DISHONESTY**

1<sup>st</sup> Occurrence – On the first offense of cheating in any class the student will receive a zero (F) on that particular work. The building principal will be notified and the assignment will be placed on file. The teacher will inform parents.

2<sup>nd</sup> Occurrence – On the second offense of cheating in any class, the maximum penalty will be failure in that particular class for the semester. The teacher will notify the parents and the student's work will be placed on file.

#### **SEVENTH SEMESTER GRADUATION**

Although we do not encourage seventh semester graduation, the Macon County R-I School does offer this alternative made possible by the State Department of Education. Seventh semester graduation is possible if the following requirements are met in advance.

- 1) The student in writing, stating the planned program for the eighth semester must request permission for seventh semester graduation. This request must be made by December 1 of the seventh semester.
- 2) A student must have completed all graduation requirements and have a total of twenty-four units of credit by the end of the seventh semester.
- 3) A student's eighth semester program must be in one of these areas: enrolled in college or a vocational trade school as a full time student, work, or enlist in the armed services.
- 4) Students taking a college English course to fulfill the final semester of English credit needed for graduation must have the college class approved by the high school administration prior to taking the course if it is to count towards meeting graduation requirements for high school.
- 5) Students will be permitted to participate in graduation ceremonies unless they request their diploma be

- received at the end of the 7<sup>th</sup> semester.
- 6) Students will not be eligible to participate in any school activity after the seventh semester. This includes academic, athletic or social functions.
  - 7) A student requesting seventh semester graduation, will not be re-admitted to the Macon Schools after 8 school days of the third quarter.
  - 8) Before a final decision can be made, there must be a conference with parents, counselor and principal for the purpose of explaining in detail this policy.
  - 9) The high school principal and counselors will consider unique situations on an individual basis.

### **HONOR ROLL**

Students must attend school full time (7 hours) to be eligible for honor roll. Each grading period the honor roll will be published for students meeting the following criteria:

A – Honor Roll: Students having an A average.

B - Honor Roll: Students having a B average.

## **SECTION IV – STUDENT ORGANIZATIONS AND ACTIVITIES**

### **EXTRA-CURRICULAR ACTIVITY POLICY**

Extra-curricular activities are any school sponsored activity that takes place outside the regular class setting and time. Following is a list that should be observed by sponsors, students, and parents to improve communication and avoid possible misunderstandings.

- 1) Students are under the direction of the sponsor or coach.
- 2) Students are to be on time for scheduled practices, events, or performances.
- 3) When the activity is away from the home school, students are to ride school provided transportation to and from the activity, unless prior arrangements are made with the principal. The only exception is the parent must see the coach or sponsor in person to give an acceptable reason, and the student may ride home with the parent, but must ride school transportation to the event. If students do not ride school transportation to an event, they will not be allowed to participate or perform. Special circumstances will be evaluated on an individual basis by the coach and building administration.
- 4) The students are responsible for taking care of the equipment and uniforms that are checked out to them. If lost or destroyed through carelessness of the student, the student will be charged the replacement cost.
- 5) A signed statement by parent or guardian is required if your child is covered by family insurance or school insurance. A participant insurance form or a signed statement should be turned in to the coach or sponsor before practice starts. The forms may be picked up from the coach or sponsor.
- 6) Poor citizenship in school/out of school may result in being removed from an extra-curricular activity. (See Citizenship Policy)
- 7) If a student is absent on the date of a contest without being excused by the principal, he/she shall not be considered eligible to participate in that contest. Students must be at school the last half a day to participate in a contest. (4 of 7 periods). If the activity occurs on a day when school is not in session, the student must have attended on the prior school day at least a half day. Extenuating circumstances will be considered on a case by case basis by administration.
- 8) High School Academic Standards – Every student must earn three (3) units of credit in the proceeding semester and be enrolled in at least three (3) units of credit the current semester to be eligible.
- 9) For a student to be excused from practice, he/she must have a written note from their parents stating the reason. The coach/sponsor will have the authority to evaluate the excuse to determine if it is excused or unexcused.

- 10) Doctor's excuse will be honored at all times. A coach or sponsor may require that a student stay at practice to observe. At no time shall the student be allowed to participate until released by the doctor.

### **DISCIPLINARY RESPONSES TO STUDENT MISCONDUCT**

#### **LEVELS OF STUDENT CONDUCT**

**LEVEL I.** Minor misbehavior on the part of the student, which disrupts orderly classroom procedures or interferes with the orderly operation of the school. These misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school support personnel.

## **EXAMPLES**

Classroom disturbance	Failure to comply with school rules and regulations
Classroom tardiness	Unnecessary roughness
Abusive language	Minor failure to comply with bus regulations
Dishonesty/Plagiarism	Bullying
Verbal & Non-verbal Obscenities	Violation of Shop Safety Rules
Defiant failure to complete assignments or carry out directions	

## **DISCIPLINARY RESPONSE PROCEDURES**

This is immediate intervention by the staff member who is supervising the student or who observes the misbehavior. Repeated misbehavior may require parent/teacher conference or conference with the counselor and/or administrator. A proper and accurate record of out of the ordinary offenses and disciplinary action is maintained by the staff member.

## **SCHOOL OPTIONS**

Parent contact/conference	Non-academic tasks
Verbal reprimand	Behavioral contract
Counseling	Withdrawal of privileges
Strict supervised study	Classroom detention
Assigning seat	ISS
Saturday Detention	

## **LEVEL II. Misbehavior whose frequency or seriousness tend to disrupt the learning climate of the school.**

These infractions, which usually result from the continuation of LEVEL I misbehaviors, require the intervention of personnel on the administrative level because the execution of LEVEL I disciplinary options has failed to correct the situation. Also included in this level are misbehaviors which do not represent a direct threat to the health and safety of others, but whose educational consequences are serious enough to require corrective action on the part of administrative personnel.

## **EXAMPLES**

Repetition of LEVEL I misbehaviors	Insubordination	Inappropriate physical behavior
School tardiness	Truancy	Cutting Class
Tobacco/E-cigarette use or possession	Fighting (minor)	Vandalism (minor)
Using forged notes or excuses	Disruptive school behavior	
Unauthorized possession of others' personal property		Bullying

## **DISCIPLINARY RESPONSE PROCEDURES**

The student is referred to the administrator for appropriate disciplinary action.

The administrator meets with the student and/or teacher and affects the most appropriate response.

The teacher is informed of the administrator's action.

A proper and accurate record of the offense and the disciplinary action is maintained by the administrator.

## **SCHOOL OPTIONS**

All **LEVEL I** options plus the following:

Work Assignments	Out-of school suspension	Modified day
Financial and/or in-kind restitution	Behavior modification	Loss of released time
Pre-school detention	Peer counseling	Citizenship assignment
Suspension from participation	Detention	In-school suspension
Temporary loss of transportation privilege	Saturday detention	
Bus conduct report mailed to parents		
Referral to outside agency and/or suspension from attendance at extra-curricular activities		

## **LEVEL III. Acts directed against persons or property but whose consequences do not seriously endanger the**

health or safety of others in the school. These acts might be considered criminal, but most frequently can be handled by the disciplinary mechanism in the school. Corrective measures, which the school should undertake, however, depend on the extent of the school's resources for resolving the situation in the best interest of all students.

#### **EXAMPLES**

Fighting	Inappropriate or suggestive attire
Vandalism	Possession/use of stolen property
Possession/use of unauthorized substances	Stealing
Verbal and non-verbal obscenities	Serious threats to others
Dishonesty	Major disruptive school behavior
Unlawful trespassing	Failure to comply with bus regulations
Carless and imprudent operation of a motorized vehicle	
Offensive action and/or language directed toward employees (including SRO)	

#### **DISCIPLINARY RESPONSE PROCEDURES**

The administrator initiates disciplinary action by investigating the infraction and conferring with staff on the extent of the consequences.

The administrator meets with the student and confers with the parent about the student's misconduct and the resulting disciplinary action.

A proper and accurate record of offenses and disciplinary actions is maintained by the administrator.

#### **SCHOOL OPTIONS**

Temporary removal from class	Bus conduct report mailed to parents
Homebound instruction	Citizenship policy applies
Temporary loss of transportation privileges	In-school suspension
Contact law enforcement agency	Out-of-school suspension
Financial and/or in kind restitution	Work assignment

**LEVEL IV.** Acts which result in violence to a person or property or which pose a direct threat to the safety of others in the school. These acts are clearly criminal and are so serious that they always require administrative actions, which result in the immediate removal of the student from school, the intervention of law enforcement authorities and action by the administration and board of education.

#### **EXAMPLES**

Repetitive Level III behaviors	Vandalism
Extortion	Theft/possession/sale of stolen property
Arson	Possession/use/transfer of dangerous weapons
Bomb threat	Furnishing/selling/possession of unauthorized substances
Assault/battery	

#### **DISCIPLINARY RESPONSE PROCEDURES**

The administrator verifies the offense, confers with the staff involved, and meets with the student. The student is immediately removed from the school environment. The parents are notified by the Student Behavior Disciplinary Action Report. School officials contact law enforcement agencies and assist in prosecuting offender. A complete and accurate report is submitted to the superintendent for board action. The student is given a full due process hearing before the board.

#### **SCHOOL OPTIONS**

All LEVEL III options plus the following:

Permanent loss of transportation privileges	Alternative Schools	Expulsion
Other board action, which results in appropriate placement

## **CORPORAL PUNISHMENT AND SUSPENSION**

Corporal punishment will not be used in the high school. Any pupil who is guilty of violent or continued opposition to reasonable authority, repetition of an offense after notice, habitual and determined neglect of duty, or whose general bad conduct and example tend to injure the school morale, may be suspended by the Principal for a period not to exceed ten (10) days. It is the intent of the school district to keep the parent/guardian informed regarding serious or persistent disciplinary matters pertaining to their children and to solicit their cooperation in bringing about improved pupil behavior. Parent/guardian shall be informed by means of a Student Behavior Disciplinary Action Report brought home by the student involved as soon as possible in

situations involving suspension from school. (Exceptions to the prior notice requirement may occur if a student's behavior creates a situation that cannot be tolerated or a situation that endangers other students.) The following specific procedures should be observed in any situation involving suspension.

- 1) Parent/guardian should be notified by means of a Student Behavior Disciplinary Action Report brought home by the student involved before the suspension becomes effective.
- 2) Official notification of a pupil's suspension, for more than three (3) days, should be made to the parent/guardian of the pupil in writing. The written notification should include a brief summary of the situation and reasons for the suspension.
- 3) Parent/guardian should be provided the opportunity for a personal conference regarding the reasons for the suspension and conditions under which the pupil may be permitted to re-enter school.
- 4) Parent/guardian or school personnel may wish to involve others in the conference if it is believed that they can contribute to a better understanding of the situation.
- 5) The decision of the Principal may be appealed through every level of administration of the school system.

A senior who is on suspension from school at commencement time will not be allowed to participate in the graduation exercises. A record should be made of the reasons for the suspension, the results of the conference with the pupil's parent/guardian, and the conditions under which the pupil may be allowed to re-enter school. Any suspension shall be reported to the office of the Superintendent of Schools.

### **SEARCHES AND SEIZURES**

Macon High School reserves the right to insure that all students and staff have a safe environment. At times when there is a reasonable suspicion, there may be a need to make searches and seizures at MHS. While on school property, MHS administration may conduct appropriate searches of persons, book bags, cars, lockers, and other property. Drug dogs may be utilized to conduct random drug searches indoors and outdoors on school property. Computer files created and/or stored on the Macon Public School servers are considered property of the MPS and can also be searched.

### **WEAPONS POLICY**

The possession or use of a weapon by any person, except where authorized by law, shall be prohibited in all school buildings, on or about school grounds, and at all school activities. A weapon shall be defined as any instrument or device customarily used for attack or defense against an opponent, adversary or victim, or any instrument or device used to inflict physical injury or harm to another person. Violators of this policy may be referred to the appropriate legal authorities. In addition, any student who violates this policy will be subject to suspension and/or expulsion from school. In accordance with federal law, any student who brings or possesses a firearm (as defined in 18 U.S.C. 921) on school property will be suspended from school for at least one calendar year. The suspension may be modified on a case-by-case basis upon recommendation by the Superintendent to the Board of Education. In addition, any person who has been determined by school officials to have brought a firearm to school will be referred immediately to local juvenile and/or law enforcement agencies. Legal Refs: Sections 571.010, .030, RSMo. 18 U.S.C. 921. Elementary and Secondary Education Act of 1965 as amended by the Gun-Free Schools Act of 1994 Adopted: May 22, 1995

### **ALCOHOL AND ILLEGAL DRUG POLICY**

It is the policy of Macon Public Schools that possession, use, and/or distribution of alcohol as defined in Chapters 311 and 312 RSMo and illegal drugs as defined in Chapter 195 RSMo are strictly prohibited in school buildings, on school buses, and at all school-sponsored activities, regardless of location. Professional personnel should carry on intensive continuing programs of education designed to fully inform students about the dangers of the use, misuse and abuse of drugs and alcohol.

To insure fair and equitable enforcement of the policy, the following guidelines are set forth:

1. It is recognized that the use of drugs and alcohol is illegal, severely impairs the educational process of the student using them, and disrupts the education of other students. In view of this, no distinction will be made in penalties for the abuse of either illegal drugs or alcohol.
2. All students involved in the possession, use, and/or distribution of drugs or alcohol in school buildings, on school grounds, on school busses, and at all school sponsored activities (regardless of location) will be subject to the Macon County R-I School District "Discipline Code".
3. When appropriate, students may be required to seek counseling and treatment for drug and/or alcohol problems. The required counseling will be completed at the students' or parents' expense.
4. Drug searches using dogs are possible at random times during the school year. These searches may occur on any part of school property, including school parking lots.
5. The Board of Education recognizes that extracurricular activities as set forth by the Missouri State High School Activities Association are not required of students and therefore, participation is a privilege. Participation in extracurricular activities is suspended for the possession, use, and/or distribution of drugs or alcohol by any student. Suspension will follow the guidelines as set forth in the Good Citizenship policy guidelines on page 7 of the student handbook.

### **STUDENT DRUG TESTING PROGRAM**

Macon R-I Schools has implemented a student drug testing program. The purpose of this program is to deter chemical abuse or misuse by our students. It is not the purpose or intent of the district's drug testing policy to identify students for punishment under the district discipline code for incidents resulting from student drug tests. However, the program does not affect other policies and practices of the school in dealing with drugs or alcohol use or possession where reasonable suspicion is obtained by means other than the mandatory and random sampling discussed here.

- The student drug testing program is mandatory for all students participating in activities recognized by MSHSAA or any clubs or organizations of Macon R-I Schools in grades 7-12 as well as those who park on school property. All students involved in the covered activities will be included in the random pool for testing throughout the school year.
- Once a student's name enters the testing pool, they will be in the pool the remainder of the school year and subject to random testing.
- If the student and the student's parent both consent, students who are not participating in any of the covered activities may become part of the random testing pool. Once they enter the program they are under the same guidelines as any other student participating in a covered activity.
- A student may refuse to be randomly tested, but if he or she chooses to do so, he or she will immediately be suspended from participating in covered activities for 365 calendar days.
- Any student who is enrolled in the A+ program and has a positive drug test will be removed from the program and is ineligible for all benefits from the A+ program. Any student who is enrolled in the student drug testing program and refuses to be tested when they are selected will be ineligible for all benefits from the A+ program.
- All new students enrolling after the school term begins along with their parents/guardians will meet with the Activities/Athletic Director to review the policy.
- Students should refer to the Board Policy JFCI and JFCI-AP for requirements to be reinstated after failing a student drug test.

## **TOBACCO FREE CAMPUS**

Missouri state law prohibits smoking and use of all tobacco products in any classroom or facility, which houses students, and on any school bus. Use of tobacco products is banned in all school facilities, buildings, and buses and on all grounds at all times. Missouri law extends to all employees working in the school district, students, patrons and employees attending school-sponsored athletic events and meetings. The Board of Education issues this ban in a sincere appeal to all employees, students and patrons to cooperate in discouraging the use of tobacco products by youth and helping to create a healthy environment for all.

## **HEALTH SERVICES**

If you have an accident in the school building or on the school grounds, it is necessary that a report be made immediately to the office of the principal so that a school nurse can be called. Only first aid treatment will be given and, if necessary, your family will be notified so that further treatment may be given by your family physician. A registered nurse is available at school. The school does not pay for treatment. If you become ill while at school a teacher will give you a corridor pass to go directly to the nurse. Upon returning from the nurse, the student is to return to his class, being admitted by the same pass by which he was excused, if signed by the school nurse. If it is the nurse's decision for the student to go home, the parents or guardian must be notified before the student leaves. After the proper persons are notified the student is to sign out in the high school office.

## **ADMINISTERING MEDICINES TO STUDENTS**

All medications must be stored in the school nurses' office. Medications will not be dispensed unless the following requirements are met:

### **I. Prescription Medication**

- A. The student's physician shall provide the school with a written request that the student be given medication during school hours. The request shall state the name of the student, name of the drug, dosage, frequency of administration, and how the medication is to be given and the doctor's name. The prescription label will be considered an equivalent of the physician's orders for short-term medication. When possible, descriptions of any adverse effects and any applicable emergency instructions will be provided.
- B. The parent/guardian will provide a written request that the school district complies with the physician's request to give medication. The district will not administer the first dose of any medication.
- C. The parent/guardian will supply the medication in a properly labeled container from the pharmacy with only those doses to be given at school, and with instructions for any special need for storage, e.g. refrigeration. The medication will be delivered to the school by the parent/guardian or other responsible adult. Medication supplies should not exceed a 30-day supply. Do not send any medication in envelopes, plastic wrap, lunch boxes, etc. All medications must be in original containers. Your pharmacist will provide extra properly marked container.

### **II. Over-the-counter medication.**

Written permission must be obtained from a parent/guardian to administer over-the-counter medications from home or which have been prescribed. This permission must be renewed at least annually. Occasionally your child may unexpectedly need medication during a school day. For these occasions, the school nurse maintains a **LIMITED** supply of over-the-counter medications. If your child needs such medications for an extended time or for a chronic condition, you must supply the medication.

### **III. Self-Administration of Medication under Safe Schools Act**

- A. A physician may recommend that an individual student with a chronic health condition, such as

asthma or other potentially life-threatening respiratory illness, assume responsibility for his or her own medication as part of learning self-care. The Board may permit such a student to self-administer medication by way of a metered-dose inhaler, provided that the following conditions have been met:

To self-administer this medication, children MUST have on file with the school:

Written authorization by the parent/guardian

Medical history of the student's asthma

A written Asthma Action Plan to address emergencies and the care of asthma while in school

In addition, written authorization must be provided from the prescribing physician that the child has asthma, has been trained in the use of the medication, and is capable of self-administering the medication. The school incurs no liability as a result of the self-medication of the student and permission for self-medication must be renewed every school year.

IV. Immunizations

A. A state law requires that a child must be totally immunized according to the state requirements before they can attend any school in the State of Missouri. Therefore, your child will not be able to start school until all their shots are complete and on file with the school nurse. If there is a question whether your child is adequately immunized please check with your doctor, the school nurse or the County Health Department.

V. Contagious Illness Management

A. Children with contagious illness should not be brought to school. Students should not come to school if during the previous 24 hours they exhibit any of the following symptoms:

A temperature of 100 degrees or greater

Vomiting or diarrhea

An unusual or unexplained rash, unrelenting and itchy

Persistent cough

Told by doctor they are still contagious

Children with chicken pox are to remain at home a minimum of six (6) days after the first appearance of the rash. They may return to school when all lesions are crusted over.

Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.

### **3. Internet Safety Training**

In compliance with the Children's Internet Protection Act, each year, all District students will receive internet safety training which will educate students about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms, and cyber bullying awareness and response.

### **4. Inappropriate Network Usage**

To the extent practical, steps shall be taken to promote the safety and security of users of the District's online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. Specifically, as required by the Children's Internet Protection Act, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called 'hacking,' and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

Employee inappropriate use of Internet/Electronic Communication shall be subject to loss of Internet privileges, and disciplinary action, up to and including termination of employment. Students who inappropriately use or misuse the district network, hardware/equipment or software may be subject to disciplinary action. The proceedings could result in a fine, payment of costs related to labor/parts to repair and/or replace equipment, or a hearing before the School Board. The Macon School District reserves the right to temporarily or permanently remove a user account on the network to prevent further unauthorized activity. Illegal use of the network; intentional deletion or damage to files of data belonging to others; Copyright violations; and theft of services will be reported to the appropriate legal authorities for possible prosecution.

## **4.8 DUE PROCESS AND SEARCH AND SEIZURE**

### **Due Process**

In the event there is an allegation that a student has violated the District's Acceptable Use Policy, the student will be provided with a written notice of the alleged violation and an opportunity to be heard in the manner set forth in the Student Disciplinary Code. Disciplinary actions will be tailored to meet specific concerns related to the violation and to assist the student in gaining the self-discipline necessary to behave appropriately on an electronic network. If the alleged violation also involves a violation of other provisions of the Student Disciplinary Code, the violation will be handled in accordance with the applicable provision of the Student Disciplinary Code. Employee violations of this policy will be handled in accord with District Policy. The District may terminate the account privileges of a guest user by providing notice to the user. Guest accounts not active for more than 30 days may be removed, along with the user's files without notice to the user.

## **Search and Seizure**

User violations of the District Acceptable Use Policy, the Student Disciplinary Code, District Policy or the law may be discovered by routine maintenance and monitoring of the District system, or any method stated in this policy, or pursuant to any legal means. The District retains the right to search any personal computing or storage devices. District employees should be aware that their personal files very well maybe discoverable and could be discoverable in the event of any form of litigation. Everything that District employees place in their personal files should be written as if a third party would review it.

The District reserves the right to monitor any electronic communications, including but not limited to Internet access, and e-mails. Students and employees should not have the expectation of privacy in electronic communications, even when used for personal reasons.

### **4.9 DISTRICT LIMITATION OF LIABILITY**

The District makes no warranties of any kind, either expressed or implied, that the functions or the services provided by or through the district system will be error--free or without defect. The District will not be responsible for any damage users may suffer, including but not limited to, loss of data or interruptions of service. The District is not responsible for the accuracy or quality of the information obtained through or stored on the system. The District will not be responsible for financial obligations arising through the unauthorized use of the system.

### **ASBESTOS NOTICE**

The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA), was enacted by Congress. AHERA was enacted to determine the extent of and develop solutions for any problems school may have with asbestos.

We have had our facilities inspected by a certified asbestos inspector, as required by AHERA. The inspector located, sampled, and rated the condition and hazard potential of all material in our facilities suspected of containing asbestos. The inspection and laboratory analysis records were turned over to a professional, certified to develop asbestos management plans.

The engineer has developed an asbestos management plan for our facilities, which includes a notification letter, education and training of our employees, a set of plans and procedures designed to minimize the disturbance of the asbestos containing materials, and plans for regular surveillance of the asbestos-containing materials.

A copy of the asbestos management plan is available for your inspection in our administrative office during regular office hours. Steve Shoush, Director of Maintenance, is our Asbestos Program Manager. All inquires regarding the plan should be directed to him at Macon County R-I School, 702 N Missouri St., Macon, MO 63552, and phone (660)385-2198.

We have begun implementing the asbestos management plan. We plan to take whatever steps are necessary to insure your children and our employees have a healthy and safe environment, in which to learn and work.

## **SURVEYING, ANALYZING OR EVALUATING STUDENTS – JHDA**

### **Inspection**

Any parent may inspect, upon request, any instructional material used as part of the educational curriculum and all instructional materials, including teachers' manuals, films, tapes or other supplementary material, that will be used in connection with any survey, analysis or evaluation as part of any applicable program. Further, a parent may inspect, upon request, a survey created by a third party before the survey is administered or

distributed by a school to a student. The term “instructional material” does not include academic tests or academic assessments.

In general, the district will not collect, disclose or use personal student information for the purpose of marketing or selling that information or otherwise providing the information to others for that purpose. In the rare case where the district may collect information from students for the purpose of marketing or selling that information, parents may inspect any instrument used before the instrument is administered or distributed to a student, upon request and in accordance with Board policy.

2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent and not necessary to protect the immediate health and safety of a student, or any physical exam or screening permitted or required under state law, except for hearing, vision or scoliosis screenings.
3. Activities involving the collection, disclosure or use of personal information obtained from students for marketing, selling or otherwise distributing information to others.

The district will directly notify parents at the beginning of the school year of the specific or approximate dates during the school year when the above-listed activities will occur or are expected to be scheduled.

#### Notification of Policy and Privacy

In accordance with law, parents will be directly notified of this policy at least annually at the beginning of the school year and within a reasonable period of time after any substantive change in the policy.

The district will take measures to protect the identification and privacy of the students participating in a protected information survey, regardless of the source of funding. These measures may include limiting access to the completed surveys and the survey results as allowed by law. All student educational records will be protected in accordance with law and Board policy JO.

The provisions of this policy applicable to parents will transfer to a student who is 18 years old or emancipated. Religious Content in Programs and Ceremonies (Board Policy IND).

### **MACON R-I GRIEVANCE PROCEDURE**

The Board recognizes that situations of concern to parents/guardians or the public may arise in the operation of the district. Such concerns are best resolved by addressing them at the level where the concern originated through communication with the appropriate staff member (progressing from teacher, building level administrator, to superintendent). Any concern regarding federal programs administered by the Missouri Department of Elementary and Secondary Education (DESE) may also be appealed to DESE or the United

States Department of Education as permitted or required by law. (See related NCLB policy in this handbook.)

### **STUDENT COMPLAINTS AND GRIEVANCES**

Alleged acts of unfairness or any decision made by school personnel, except as otherwise provided for under student suspension and expulsion, which students and/or parents/guardians believe to be unjust or in violation of pertinent policies of the Board or individual school rules, may be appealed to the school principal or a designated representative.

The following guidelines are established for the presentation of student complaints and grievances:

- The principal shall schedule a conference with the student and any staff members involved to attempt to resolve the problem. Parents/Guardians may be involved in the conference, or a later conference for parents/guardians may be scheduled at the discretion of the principal.
- If the problem is not resolved to the satisfaction of the student and/or parents/guardians, a request may be submitted for a conference with the superintendent of schools. The superintendent shall arrange a conference to consider the problem, and to inform participants of the action that will be taken.
- If the student and/or parents/guardians are not satisfied with the action of the superintendent, they may submit a written request to appear before the Board of Education. Unless required by law, a hearing will be at the discretion of the Board. The decision of the Board shall be final.

All persons are assured that they may utilize this procedure without reprisal.

### **STUDENT RECORDS**

The Family Educational Rights and Privacy Act (FERPA) afford parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s educational records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the principal or appropriate official, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health and medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. (Optional) Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the

school to comply with the requirements of FERPA. The name and address of the office that administers FERPA are Family Policy Compliance Office U.S. Department of Education, 400 Maryland Avenue, SW, Washington DC 20202-4605.

5. The district has determined that the following information regarding the district's students is not harmful or an invasion of privacy, and therefore will release this information without first obtaining parental consent. If a parent, guardian, or person acting as a student's parent in absence of a parent or guardian, or the student (if 18 or older), does not want the district to release the information listed below, they must notify the district in writing within ten (10) days of receiving this handbook of the information they do not want released.
6. Pursuant to federal law, military recruiters and institutions of higher education may request and receive names, addresses and telephone numbers of all high school students, unless their parents or guardians notify the school not to release this information. Please notify the district if you do not want this information released.

The following information may be released without obtaining parental consent:

Student's name, parent's name, address, telephone number, date and place of birth, grade level, bus assignment, enrollment status (e.g., full-time or part time), participation in school-based activities and sports, weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, artwork or coursework displayed by the district, most recent previous school attended and photographs, videotapes, digital images and recorded sound unless such photographs, videotapes, digital images and recorded sound would be considered harmful or an invasion of privacy. If a parent, guardian, person acting as a student's parent in absence of a parent or guardian, or the student, if 18 or older, does not want the district to release the information listed above, they must notify the district within ten (10) days of receiving this student handbook, and fill out the "Request to Withhold Student Directory Information Form". This form may be obtained in the high school principal's office, in the high school guidance office or online at [www.macon.k12.mo.us](http://www.macon.k12.mo.us).

## **STUDENT RIGHTS AND RESPONSIBILITIES**

The Board of Education believes that students have rights, which should be recognized and respected. It also believes that every right carries with it certain responsibilities. Among these student rights and responsibilities are the following:

- 1) The right to attend free public schools; the responsibility to attend school regularly and to observe school policies, rules, and regulations deemed essential for permitting others to learn at school.
- 2) The right to quality education; the responsibility to put forth the best efforts during the educational process.
- 3) Civil rights – including the rights to equal educational opportunity and freedom from discrimination; the responsibility not to discriminate against others.
- 4) The right to free inquiry and expression; the responsibility to observe reasonable rules and regulations regarding these rights.
- 5) The right to due process of law with respect to suspension, expulsion, and decisions, which the student believes, injure their rights.
- 6) The right to privacy, which includes privacy in respect to the student's school records.

It is the Board's belief that, as part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board to make and delegate authority to its staff and to make rules and regulations regarding orderly operation of the district schools. If the policy guidelines adopted by the Board are to be successful, it must be understood that school officials and teachers have the authority to interpret and apply policy in a given situation. Students must obey any such interpretation subject to an appeal. Schools must be a place where students are encouraged to learn. Standards of conduct are established by the Macon County R-I Board of Education to create an environment in which each student's right to learn is

protected.

Students and their parent/guardian will be notified of their rights and responsibilities, including standards of conduct, through handbooks distributed annually. When the rights and responsibilities of individuals are clearly understood, the elements of respect and cooperation will result in the harmonious and constructive education of the student.

### **Complaint Resolution Procedure for No Child Left Behind Programs**

This complaint resolution applies to all programs administered by the Missouri Department of Elementary and Secondary Education under the No Child Left Behind Act (NCLB).

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplies, or misinterpreted by school district personnel or by Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation being violated, misapplied, or misinterpreted.

The written, signed complaint must be filed and the resolution pursued in accordance with local district policy:

- Complaints on behalf of individual students should first be addressed to the teacher or employee involved.
- Unsettled matters from (1) above or problems and questions concerning individual schools should be presented in writing to the principal of the school. The principal will provide a written response to the individual raising the concern within five (5) business days of receiving the complaint or concern.
- Unsettled matters from (2) above or problems and questions concerning the school district should be presented in writing to the superintendent. The superintendent will provide a written response to the individual voicing the concern within (5) business days of receiving the complaint or concern.
- If the matter cannot be settled satisfactorily by the superintendent, it may be brought to the Board of Education. Written comments submitted to the superintendent or the secretary of the Board will be brought to the attention of the entire Board. The Board will address each concern or complaint in an appropriate and timely manner.

If the issue cannot be resolved at the local level, the complainant may file a complaint with the Missouri Department of Education. If there is not evidence that the parties have attempted in good faith to resolve the

complaint at the local level, the Department may require the parties to do so and may provide technical assistance to facilitate such resolution.

Any person directly affected by the actions of the Department may file a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplied, or misinterpreted by the Department itself.

Anyone wishing more information about this procedure or how complaints are resolved may contact local district or Department personnel.

### **SNACK/PARTY TREATS**

The Macon R-I District will follow “packaged food only” guidelines for birthday parties, holiday parties, and other special occasions. All food items brought to school need to be either prepackaged or prepared professionally by the grocery store or other business that is licensed to prepare food. Homemade items will not be served. Items such as this will need to have a nutrition facts label. This will allow for a higher level of screening regarding food distribution to a growing number of students with food allergies and/or other conditions such as diabetes, etc. In coordination with the Macon R-I Health and Wellness Policy, parents are encouraged to send healthy snacks and beverages for party treats. Food prepared and brought to be sold at concession stands or for carry in banquets will be exempt from this policy.
