# ATTENDANCE MATTERS. ALL DAY, EVERY DAY

## Attendance Information

Students are to attend school regularly and arrive promptly to classes. Students having good attendance generally achieve higher grades, enjoy school more and are much more desirable as employees after graduation. Good attendance is the responsibility of the parent and/or legal guardian. Parents or legal guardians are responsible for informing school officials on the day of the student's absence.

**Any student absent from class more than 8 days, whether excused, avoidable, or unexcused during a semester** is subject to loss of credit for that class/classes. Missouri law requires school attendance. Good attendance is important to the success of each student. In order to receive credit for a class, a student must maintain a passing grade as determined by the instructor and not miss more than 8 class periods in any one semester. School sponsored activities are an exception.

***A student must be in attendance for the second half of the school day (4-7th hour) to participate or attend a school activity that day or evening. A student must be in attendance at least half the day on Friday to attend or participate in an activity on Saturday.***
