Classroom happenings...

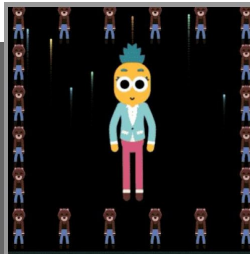

Boater Safety in 7th Grade STEM Class

7th grade STEM Exploratory class is taking their Boater Safety Class with Officer Darren Mueller of the Missouri State Highway Patrol. This certification is necessary for all boaters operating a vessel on Missouri waters born after January 1, 1994. Students will take their examination for their Boaters Safety Certificate, which will also be for a grade in STEM class.

7th Grade ELA students in Mrs. Cross's class Research is happening on their feature article project

Mr. Hall's Computer Classes

Middle school computer classes are participating in the world wide hour of code activities this week. All classes will be learning how to code a dance party pt1 and pt2, and some will move on to coding minecraft. 21 million teachers, and 200 different governments, school districts, and Universities will be teaching up to 3 million students about coding across the globe.

Here is a picture of the dance party code activity.
