FORWARD

The student handbook is provided for your information. Although it does not include all of the issues that will arise through the course of a school year, it will serve as an overall guide for students to follow.

We ask you to keep in mind that rules and regulations are designed to serve the student body as a whole and that this school is strongly dedicated to defending your right to an undisturbed, safe environment for your high school education.

Greetings from MHS Student Council

Student Council (STUCO) would like to wish everyone good luck in the upcoming school year and welcome students who are new to MHS. Macon High School has a student-oriented curriculum, with many outstanding activities to participate in: academics, athletic teams, extracurricular activities and clubs.

STUCO is involved with the activities here at school and would be happy to answer any questions you might have. We're planning many fabulous activities along with the other clubs in school. Please get involved in something and stick with it! Again, good luck and above all, have fun!

STUDENT-FOCUSED - INTEGRITY - GROWTH MINDSET - COLLABORATION & COMMUNITY - INNOVATION - IMPACT

SECTION I – SCHOOL OPERATIONS

STUDENT COMMUNICATIONS

All student speeches or student public announcements made at a school event, must be pre approved by the building principal 48 hours prior to the event. If the script is not followed during the communication delivery, the student will receive a disciplinary consequence.

STUDENT ATTENDANCE

All students are expected to attend school regularly and to be on time for classes. This is necessary for each student to obtain maximum benefits from the instructional programs and to develop habits of punctuality, self-discipline, and responsibility. There is a direct relationship between poor attendance and failure to achieve in school. The purpose of this attendance policy is to assist in assuring that each student at Macon High School receives the best educational experience possible.

- Students may not be absent for more than 8 total days or 8 periods from any one class in a semester to earn credit for the class. Any absence except for school sponsored activities will count towards the 8 times a student can miss class and still earn credit.
- Doctor excused absences will count against the attendance policy. However, if a student exceeds the 8 days allowed, doctor excuses will be considered during the appeal process. The doctor's excuse should include the time of the doctor appointment. Going to the doctor does not automatically excuse you for the entire day. We expect students to return to school immediately after their appointment is over.
- The school day is divided into seven 54-minute periods. Students arriving to class at least 25 minutes late or leaving 25-minutes early will be considered absent for the entire period. • Any student exceeding the 8 total days or 8 class periods in a semester will not earn credit for that class. If a student maintains a passing grade in the class, a “N/C” (no credit) will be placed on their official transcript. If a student receives an “F” for a grade in the class, an “F” will be placed on their official transcript.
- When a student exceeds 8 absences in a class(es) they may restore lost credit by attending Saturday make up sessions. A student may attend a Saturday make-up session and regain one day towards the attendance policy requirements for each Saturday session he/she attends. A Saturday make-up session runs from 8-11:00. Students must be on time and must

TABLE OF CONTENTS

stay the entire time to make up a missed day of attendance. If a student is one hour over in one class they may go to an after school detention. One after school detention (one hour) is equivalent to making up one hour of absence. If a student is over the attendance policy in two or more class periods they will be required to attend a Saturday detention to restore credit for the hours exceeding the attendance policy.

- Students will need to make up all the work when they are absent. Students are given one day for each absence to make up their work. If a student misses one day of attendance they should check with their teachers before school the next day to get their assignments. The counselor’s office will collect homework for students who have missed more than one day of class if requested by the student or parent/guardian.
- Students absent from school due to a school-sponsored activity will not be penalized for that absence; however, they are expected to make up for all work missed.
- When a student has missed his/her 5th absence per semester, the school will notify the parent in writing/email that the student is in danger of failing to earn credit due to excessive absences. •

With a student's 9th absence in a semester, the parent or legal guardian will be informed in writing by the principal of the "no credit". Any student who exceeds the 9 absences and receives a no credit may appeal within ten school days. Appeals should be turned into the high school principal. The appeals committee will consist of the building administrators and the high school counselor. The student and parent/guardian will both need to be present during the attendance appeal meeting. Appeals will be considered only on the basis of medical records, emergencies, or special circumstances (for example: surgery during the semester). Loss of credit due to truancy is not a valid basis for appeal. The attendance committee has the power to re-establish credit or establish guidelines by which the student can receive credit. All further appeals must be made in writing to the Superintendent within ten school days. An appeal of the Superintendent's decision can be made to the Macon R-1 School Board in writing within ten school days.

- The attendance policy goes by the semester. A student can miss up to eight days each semester without losing credit.
- Students that exceed the attendance policy in the final two weeks of the semester that want to recover their credit must meet with the principal to set a schedule to make up the days missed in a timely manner. This schedule should be set and agreed on by the student and principal. If the student does not attend a scheduled Saturday agreed to by both student and principal they will not be able to recover their credit. Unique circumstances that cause a student to miss will be considered in rescheduling a Saturday make up session.
- Students will not be permitted to leave school grounds once they arrive on campus without the consent of the principal or career center director. Under no circumstances will students be permitted to drive a car on an errand for a teacher without the express consent of an administrator. Students arriving late must sign-in the high school office, and students leaving school before the scheduled end of the school day must sign out of the office. Students who arrive late or who wish to leave early must have parental verification in the form of a written note or telephone call to the principal; otherwise, they will be considered truant for those hours during which they are absent.
- In the case of pre-arranged extenuating circumstances, the high school principal may waive the 8 day attendance policy requirements.
- Parents or guardians need to call the high school office by 9:00 am in the event the student will be absent.

[TABLE OF CONTENTS](#)

STUDENT BEREAVEMENT POLICY

In the event of a death in the immediate family, the student will be school excused with proper documentation, the following days:

- Parents, step parents, spouse, child, stepchild, brothers, sisters, stepbrother or stepsister will be school excused for a total of up to 5 consecutive school days.
- Grandparents, step grandparents, aunts and uncles will be school excused for a total of up to 2 consecutive school days.

Documentation may be in the form of a funeral home or memorial service program. All bereavement days will be approved by the principal.

ATTENDANCE - SATURDAY SCHOOL

Saturday School is available every Saturday, or as necessary, from 8:00 a.m. to 11:00 a.m. and at other times on an "as needed" basis for students. Students who have unavoidable Saturday conflicts must have their need for an alternative date approved by the building administration 48 hours prior to the Saturday detention.

1. One Saturday school day is the equivalent of one regular school day.
2. Students have two Saturday detentions following an absence to make it up, after which the

absence may not be made up without special consent from building administration. 3. Saturday School to make up days missed is not mandatory; rather, it is a voluntary program for students wishing to make up credit due to excessive absences.

ATTENDANCE REGULATIONS – CAREER CENTER

Daily attendance will be taken in all classes. The sending schools will receive a daily attendance report. Students are not allowed to leave school at any time without permission. Absences because of school-sponsored activities or other school connected absences will carry no penalty, provided the area school official notifies the Career Center School.

Students enrolled in the Career Center are expected to be in attendance at a 90% rate; students that exceed 10 percent during a semester may require special permission from the teacher, Career Center director, and the home high school principal to enroll in the next semester of training at the Career Center. (90% attendance is required in order to receive a Career Center completion certificate.)

ADMIT TO SCHOOL PASS

Students who arrive at school late must get a school pass from the office. The pass will admit the student to school for the day. Career Center students other than Macon R-I need to sign in and get admit passes from the high school office when late to class.

TEACHER ASSISTANT PROCEDURE

A student can be a Teacher Assistant with advanced approval of the guidance office for ONE period per semester. TA's must have a B+ average (3.0 G.P.A.) a 93% attendance rate the previous semester, and must have completed their A+ tutoring hours to be eligible for the teacher assistant program. Students will be assigned by the A+ coordinator to their classroom. These students must follow all teacher rules, should arrive at their assigned classes on time and should not leave their class until the period has ended. Students that leave their classes early will need to report to the high school office.

No credit will be awarded for this participation. If a senior has permission to leave school to go to work or attend college or technical training during school class times that student may not be a teacher assistant. The student and the teacher must sign a Teacher Assistant Agreement Form.

[TABLE OF CONTENTS](#)

assistant is extended to junior and senior students who have more flexibility in their schedule. Any student who is a TA must remember they need (3) three credits to be eligible for MSHSAA activities. You are only taking (3) credits when you TA. If you fail any class you are taking while being a TA you will be ineligible the following semester.

TARDY POLICY

Students should learn to be prompt. Promptness is a habit and should be learned by the student that it is their responsibility to be at an assigned place at an assigned time. In most cases there is no excuse for tardiness. Students are given four (4) minutes to get from one class to another. Each student will be allowed a total of seven (7) tardies per semester. If a student has an eighth (8) tardy, that student will be assigned to an after school detention held one afternoon a week, if needed.

The after school detention will start promptly at 3:30 and be over at 4:30. You must be on time, if you are tardy to this detention you will not be allowed to attend. If a student doesn't serve the assigned after school detention after seven (7) tardies, they will receive one (1) day Saturday morning detention. Students will be given a choice of serving their after school detention this week or next. If a student misses an assigned after school detention, they automatically will receive one (1) day Saturday detention unless exceptional circumstances apply. This will be evaluated individually by the building principal. The principal may opt to reschedule the detention for the student. After eight (8)

tardies – a student will serve another after school detention for every fifth tardy. (For example: at 8, 13, 18 etc. tardies). This policy will be in effect for all classes, including classes for no credit (example: Teacher Assistants) Tardies are disciplined per semester.

- Level one: 8 tardies one after school detention
- Level two: 13 tardies one after school detention and 1 day Saturday morning detention
- Level three: 18 tardies one after school detention, one day Saturday morning detention 1 day of In School Suspension (ISS)
- Level four: 23 tardies 2 days ISS
- Level five: 28 tardies 3 days ISS for this and any more subsequent levels of violation for being tardy.

If a student misses an assigned Saturday morning detention: the first time they will receive 1 day of ISS. The second missed Saturday morning detention will result in making up the missed Saturday detention plus one day of ISS. If you miss the rescheduled Saturday detention you will be assigned a second day of ISS. If you miss a third or more Saturday morning detention it will result in 3 days of ISS.

SCHOOL BUS REGULATIONS

- 1) The bus driver is in charge of the pupils and the bus. Any student who does not obey the driver promptly and in an orderly manner will be reported to the building level administration with a signed statement and the parents will be notified of the misconduct. SCHOOL SUSPENSION

In the event a student receives an out of school suspension from school, the student is prohibited from attending any school activity or function during the suspension. It is strongly encouraged that the

student continues the learning process and completes any work missed. Parents will be required to conference with school personnel prior to the student being readmitted to school for all out of school suspension.

MACON R-1 SCHOOL GUIDELINES FOR IN-SCHOOL SUSPENSION

Students assigned to ISS must display a cooperative attitude and follow the guidelines and procedures of the program.

The purpose of the ISS program is to provide intervention strategies designed to prevent or minimize non-productive behavior in the school environment. The program is designed to help repetitive discipline problems with a positive plan. Students who are assigned to ISS will be in regular school attendance and in full cooperation with the ISS instructor. ISS gives students an opportunity to remain in school and complete homework assignments. The focus remains on learning, problem solving, and the value of education, rather than on misbehavior and disciplinary action. Students in the IN-SCHOOL SUSPENSION program must accept and abide by the following guidelines:

1. Students will get classroom assignments and books before the school day begins. Students may not interrupt classes to get their assignments during the school day.

2. Students must report to the ISS room 1st period or as assigned by the administrator.

Students arriving after the tardy bell must have an admit slip.

Time Periods: Full day 8:05 a.m.-3:25 p.m.

One-half day periods 1, 2, 3, 4 or periods 4, 5, 6, 7

3. Students assigned to ISS must be out of the building and away from school grounds by 3:45 p.m. daily unless under teacher supervision.

4. Students are to be allowed to make up any classroom work they are given during their in-school suspension for credit. The work is due in class the following day.

5. If a student misses school on the day of ISS, they will meet ISS requirements upon their return.

6. Students will not be allowed out of ISS without permission from the principal. Students will not be released to see a teacher, etc. and may not use the telephone.

7. Students are required to complete regular class homework assignments as well as assignments given by the ISS instructor. Students should be on task throughout their

TABLE OF CONTENTS

scheduled ISS time.

8. The ISS instructor will be available to help students who request assistance with their homework.

9. Materials brought into the ISS room are limited to school textbooks and study materials only. No food, drink, cards, electronic devices, etc.

10. Student handbook rules must be honored at all times. The ISS instructor will reserve the right to check any article that is carried into or out of the room.

11. Students will be allowed a restroom privilege in the a.m. session and p.m. session with permission of the supervisor. (Not during class breaks.)

12. Students may bring their lunch to school while serving ISS. 13. Students will not talk, get out of their seats, or move about while in detention; no contact with other students.

14. Students assigned to ISS will forfeit their opportunity to attend meetings/assemblies.

15. If rules are violated, a written report should be made out and sent to the office with the student.

16. Students who are removed from ISS for disciplinary reasons must complete their ISS requirements when returning to school.

INSURANCE

All students participating in athletics must have insurance or verification from parents of their own coverage. Athletes should check with their coaches to make sure this is in order before practice starts.

STUDENT OPERATED VEHICLES

All students who park on school property are required to register their vehicle license numbers with the high school office. Students will need to complete a random drug testing consent form. Students who drive to school are to park in the student parking lot. Once a student has parked a vehicle, the student should lock the vehicle and come into the school building. You are not allowed to leave campus without permission once you arrive at school. The speed limit while on school property is ten (10) miles per hour. Students shall not park on the circle drive, the first row immediately north of the high school building or behind the east side of the school building. Students are expected to park in the parking spaces provided and not to block, or park in passageways or drives. This will allow students who leave early to exit the parking lot with the least amount of difficulty. Students who park their cars in an illegal parking area or fail to park properly in the designated parking area will not be allowed to park their cars on school property. Failure to obey these parking regulations may result in the vehicle being towed away at the owner's expense. The privilege of parking on school property may be revoked or suspended if a problem continues. There is NO LEFT TURN Monday-Friday between 3:25-3:50 p.m. onto Maffry from the student parking lot or off Shady Lane onto Maffry.

TECHNOLOGY DEVICES → SMART WATCHES, CELL PHONES, EARBUDS, ETC. Macon R-I is committed to moving students and staff forward in a 21st century learning environment. Students are expected to comply with all rules set in the Macon R-I Acceptable Use of Internet/Electronic Communications Policy

Students are not allowed to use their devices (phones, smartwatches, earbuds, etc.) at any point during the school day except in the cafeteria at lunchtime. Students are expected to have their devices powered **OFF** and **put away at all other times during the school day**.

Phones/devices should not be on their person and instead be stored away in a backpack, or a locked locker.

Use of technology devices in bathrooms and in locker rooms is prohibited at all times.

Parents/guardians should call the high school office if they need to get in touch with their child.

Students are required to turn off cell phones during the regularly scheduled school day. Students are not called out of class for telephone calls except in cases of emergency. If cell phones/technology devices are being used in an inappropriate manner during the regularly scheduled school day they will be confiscated. Students who use their cell phone during class time and knowingly violate the rule, the technology device/cell phone will be confiscated and turned into the office.

- First Offense: The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student will be assigned a Saturday detention.
- Second Offense: The phone/technology device will be confiscated and kept in the office safe for

the rest of the school day. The phone/technology device will then be released to the parent. The student will be assigned 2 Saturday detentions.

- Third Offense: The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student will be assigned 3 Saturday detentions

Each offense after the third would result in one more additional Saturday detention. If students are assigned a Saturday detention for violating the cell phone/technology device guidelines and don't serve the assigned detention they could be placed in ISS until the Saturday detention is served.

Other options for violations could possibly include each level of violation: phone check-in/out with the office, after-school detentions, or ISS.

This policy will start at the beginning of each school year and accumulate for the entire school year.

PERSONAL TECHNOLOGY

Students are encouraged to be very cautious when bringing any personal technology (laptops, iPads, iPods, etc.) to school. The school is not responsible for lost, damaged or stolen items.

TEXTBOOKS

Textbooks are furnished at no cost for students. Remember these books have value and it is the responsibility of the students to take care of them. If books are lost, destroyed or damaged beyond normal wear, then the student will be charged accordingly.

VISITORS

Only students of the school and employees doing school business are permitted in the building during the school day. Others, having business in the building, must check into the high school office. School

13. Students are required to be in “good standing” status with the school citizenship policy to be able to attend a school sponsored dance.

14. Students wishing to attend school dances must complete a random drug testing consent form and be part of the Student Drug Testing Program.

WEEKLY BULLETIN

A bulletin of announcements concerning the present school week is issued weekly from the high school office. The weekly bulletin is also posted on the school webpage.

WITHDRAWALS

If it becomes necessary for a student to withdraw from school, he/she should inform the Principal and each of his/her teachers as soon as possible telling them the date he/she will leave school. By advance planning, particularly near the end of a grading period or semester, a student may be able to complete the work necessary for a grade or credit. Each student will be given a withdrawal form to facilitate checking out of school. This form, after completion, is to be returned to the guidance office.

LOCKERS

School lockers and desks are property of the school. Each student will be issued a locker. Students are discouraged from writing on lockers and placing stickers or posters that are difficult to remove. Cash or valuables should never be left in a locker. **Lockers should be locked at all times.** Private

[TABLE OF CONTENTS](#)

locks will not be used on student lockers. Combination locks are available for issue in the office. These locks are furnished at no cost, but must be turned in at the end of the school year. If the lock issued to you is not returned to the office, a replacement cost of six dollars (\$6.00) will be charged to the user. The lockers should be neat at all times and the display of vulgar or unsightly pictures within the locker is not permitted. Students are held responsible for damage or marking to the locker assigned to them. No student should use a locker not assigned to him/her by the office. When things disappear from a locker it is usually due to (1) locker left unlocked, (2) someone else has your combination. The school assumes no responsibility for personal property or books stored in lockers. Students in P.E. will be issued a locker and a lock. **They should lock up their personal belongings in their assigned locker every day.**

MACON COUNTY R-I DRESS CODE

The Macon County R-I School District encourages all students to dress in a manner reflecting good taste and an appropriate style for school attendance. It is expected that student dress will not disrupt the educational process nor constitute a health or safety hazard or violate district policy.

The following limitations are examples of dress restrictions that will be enforced. When - in the judgment of the building administrator or their designee - a student's appearance or mode of dress does not comply with the following criteria, the student may be required to make modifications or change to clothing that meets the student dress code. Students will be subject to the discipline code for any and all violations. Exceptions to the grooming and dress code for health or religious reasons will be considered on a case-by-case basis.

- Hats, head coverings, hoods, and sunglasses are not allowed.

- Backless, strapless, or halter tops are not allowed.
- Tops must have straps at least three-fingers in width.

help students with their educational, vocational and personal questions or problems. In the counseling situation, an attempt is made to help the student understand themselves and to make intelligent and realistic decisions. Some of the services the counselors are to provide include educational and vocational information, provide aid in securing scholarships, plan student course schedules, give and interpret tests. The guidance office is open to any student in grades nine through twelve. Students wishing to see a counselor should contact the guidance office to schedule an appointment at the earliest convenience. Students should not ask permission to leave class to schedule an appointment. The counselors will assist all students and may place "Supplemental Transcripts Notes" in student transcript files when assisting students with graduation requirements.

ASSEMBLIES

Several assemblies will be conducted during the school year. Students are expected to enter the designated assembly area in an orderly manner and be seated as quickly as possible. Orderly conduct will be expected of all students during the assemblies. At any time a student does not wish to attend an assembly they will report to a designated study hall. Skipping an assembly will be treated as skipping a scheduled class session. Seating arrangements for the students during assemblies in the North Gym will start with the west end: seniors and juniors, east end: sophomores and freshman. When the assembly is over the faculty will be dismissed first followed by the seniors, juniors, etc.

MACON COUNTY R-I EMERGENCY PROCEDURES

The first tenet of any emergency procedure is that each student familiarizes him/herself with the proper procedures for each drill. The next important step and one that is equally important is that each person remains calm and listens for any supplemental instructions which may be issued.

[TABLE OF CONTENTS](#)

A. EVACUATION PROCEDURE

The signal for Evacuation real or practice is the fire alarms and strobe lights activating. Directions are posted in each classroom area and will be issued by the classroom teacher. Once students have exited the building they are not to leave their designated outside assembly area and are not to re-enter the building for any reason until the all clear signal has been given over the intercom or by building administration.

- In the event of emergency evacuation teachers and students should report to their assigned location outside the building. If possible everyone should take purses, coats, keys and other necessary belongings with them.
- After arriving at the designated location teachers will take roll to ensure all students are accounted for and wait for instructions.
- It is extremely important that teachers continue to supervise students that are in their class in the event of an emergency evacuation. (It is more feasible to supervise students in smaller groups as opposed to a large group.)
- High school students who are in the elementary building during an evacuation should stay with the teacher in the elementary building and follow their evacuation procedure.

B. DISASTER PROCEDURE

The signal for a disaster drill, real or practice, will be an announcement over the intercom system by a school official "Tornado Warning, evacuate to your assigned location" Wait for further instructions over the intercom or from the building administrator. Directions are posted in each classroom area and will be issued by the classroom teacher. Once the students have arrived at the designated area they are to sit on the floor, place their head on their knees, cover their head with their hands, remain quiet and listen for any additional instructions. At all times they should keep their faces turned away from any glass. At no time should any student leave the designated assembly area for any reason until the all clear signal has been given over the intercom or by building administration.

C. EARTHQUAKE DRILL

Follow the earthquake disaster preparedness plan for the welfare and safety of students and staff prepared by the school district and the Macon Civil Defense. The students should follow the instructions given to them by their classroom instructor. For more information on how to prepare for an earthquake go to www.sema.dps.mo.gov

D. INTRUDER DRILL

Follow the Plan of Action developed to provide safety to teachers, students and staff.

TO PARENTS OR GUARDIAN OF STUDENTS

We want you to be aware that this school has made many preparations to deal effectively with emergency situations that could occur in or around the school, both during the school day and during after hours activities. While we hope that a natural disaster or other serious incident never occurs, our goal is to be prepared for any potential emergency. At all times, our first priority is to protect all students, staff, and guests from harm.

In order for our emergency response plans to be effective, we depend on the cooperation and assistance of many people, such as the police and the fire department. We also depend on you, as parents, to support our disaster-response efforts. Your cooperation is vital to helping us protect the safety and welfare of all children and school employees.

Therefore, we ask parents/guardians to observe the following procedures:

- Do not telephone the school. We understand and respect your concern, but it is essential that the telephone system is available for emergency communications.
- Make sure that we have emergency contact information for each of your children at all times. We must be able to contact you or your designated representative in an emergency.
- Tune your radio to KRES (104.7 FM) for emergency announcements and status reports. You also will receive instructions on where you should and how/when you may be able to pick up your children. Our school emergency plan includes evacuation procedures with several alternative destinations. When appropriate and safe, students may be released to their parents/guardians from these shelter locations. Under those circumstances, we will be prepared to implement procedures for confirming the identity of individuals who arrive to pick-up each child. When arriving to pick up your children, please make sure that you have with you your driver's license or government issued picture identification.
- Do not come to the school until instructed to do so. It may be necessary to keep the streets and parking lot clear for emergency vehicles. If evacuation is required, students may be transported to a location away from school. You will be notified of this through the media bulletins.
- Talk to your children and emphasize how important it is for them to follow instructions from their teachers and school officials during any emergency.
- Parents and other adults must stay calm and focused in an emergency, mindful that their actions and comments will be the example that, to a great extent, determines the children's response.
- Carefully read all information you receive from the school. You may receive updates about our safety procedures from time to time
- When your child is at home following an emergency, try to keep your child away from news being broadcast over the various media. Have an emergency plan at home. Decide on a telephone number to call outside our community or a place to rendezvous if separated. Keep

a “disaster supplies kit” containing drinking water, nonperishable food, batteries, flashlight, radio, medication, toothbrushes, etc. (www.redcross.org).

We are proud that ours is a safe school, and we are doing everything possible to keep it that way. We appreciate your cooperation and support. If you have any questions about this information or other aspects of our safety procedures, please contact Macon High School at 660-385-5748.

PROGRESS REPORTS

Progress reports will be e-mailed to all parents or guardians at the midway point of each quarter.

CLASS CHANGE POLICY

A great deal of time and effort is given to a school’s master schedule. Students are informed during registration to choose courses carefully, therefore, most changes are considered unnecessary. No student will be allowed to enroll in a course after five class days each semester. If a student has sufficient reason, he/she may drop a class the first ten (10) days of a semester without penalty. After the tenth day, a failing grade will be recorded on the permanent transcript for a dropped class. In an emergency situation (such as prolonged illness), a student may request in writing a waiver of the failing grade from the Principal who will make a decision based upon the recommendations of the teacher of the class and counselor. If you believe you have valid cause to change your schedule please contact the guidance office.

DUAL CREDIT COURSES

Dual credit courses offering credit for high school and college credit may be taken in many junior and senior level courses. The high school counselor will visit classes to inform students about enrolling in dual credit courses. There is a tuition fee paid directly to Central Methodist University or State Technical College of Missouri for students enrolling for college credit. The full cost of tuition must be paid when the student enrolls in a dual credit course.

EMBEDDED CREDIT-Math

Macon Area Career and Technical Education Center (MACTEC) offers a math embedded credit for those for students who successfully complete two years of coursework through a MACTEC block program.

One hour of elective math credit (Technical Mathematics) is awarded on a pass-fail basis if students meet the following requirements:

- Maintain a 70% average in their chosen program
- Complete the embedded math curriculum for that program

- Pass the WorkKeys Applied Mathematics subtest at a level three or higher

Students work through a self-paced curriculum guide using the WorkKeys lessons and quizzes in the fall of their junior year. Upon completion, students test on the WorkKeys Applied Mathematics assessment.

- Passing Score: Level 3 or Higher
- Students scoring below a level 3, will have one opportunity to retake the assessment at the cost of the MACTEC following additional remediation.
 - If the student does not pass after a second attempt, it is the home school's responsibility to either pay for the test to be retaken or for the student to get their math credit at their high school the following school year.

*If a student is unable to return to their career center program for a second year, one half embedded credit will be awarded at the discretion of the Career Center director, Career Center Resource Educator, and the home high school principal and counselor.

EMBEDDED CREDIT-English

Macon Area Career and Technical Education Center (MACTEC) offers an English embedded credit for students who successfully complete two years of coursework through a MACTEC block program.

One hour of elective English credit (Graphic Literacy) is awarded on a pass-fail basis if a student meets the following requirements:

- Maintain a 70% average in their chosen program
- Complete the embedded Graphic Literacy curriculum for that program
- Pass the WorkKeys Graphic Literacy subtest at a level three or higher

Students work through a self-paced curriculum guide using the WorkKeys lessons and quizzes in the fall of their junior year. Upon completion, students will test on the WorkKeys Graphic Literacy assessment.

- Passing Score: Level 3 or higher
- Students scoring below a level 3, will have one opportunity to retake the assessment at the cost of the MACTEC following additional remediation.
 - If the student does not pass after a second attempt, it is the home school's responsibility to either pay for the test to be retaken or for the student to get their math credit at their high school the following school year.

*If a student is unable to return to their career center program for a second year, one half embedded credit will be awarded at the discretion of the Career Center director, Career Center Resource Educator, and the home high school principal and counselor.

EMBEDDED CREDIT-English (Agriculture)

One elective English credit (Technical English) is awarded to students who complete the **agriculture** courses of **Agriculture Science I, Agriculture Communications, and any other Ag Class**. In order to qualify for the embedded credit, students must earn a grade of 70% or higher in all three agriculture

courses for both semesters and complete a portfolio of student-developed work at the completion of the three-course sequence.

EMBEDDED CREDIT-Science

Students who complete both years in the programs of Health Occupations or Culinary Arts will earn a credit of technical science. Some post-secondary institutions may not accept this waived credit as a college entrance requirement and additional coursework may be necessary. If a student is dismissed from the career center for any reason, the credit will not be awarded.

Science Waiver

Successful completion of three units of Agricultural Education will replace the requirement for one science waiver. If students plan to receive English embedded credit using the sequence outlined above and they wish to receive the science waiver, they must complete four agriculture courses altogether.

MACTEC Articulation Agreements with Post-Secondary Institutions

Articulation is a process whereby a post-secondary institution recognizes that high school graduates have already learned the material in selected entry-level courses. MACTEC has signed articulation agreements with several institutions, indicating that they will waive a specific course(s) because of the training the students have received at the Career Center. Each institution has the right to place additional requirements on their articulated credit agreements—e.g., must meet institution's admission criteria, must pass an approved test, must have a specified high school GPA, etc.

It is always the student's responsibility to contact their post-secondary institution for the specific requirements of each agreement and to arrange for the credit to actually be put on their transcripts.

Missouri Statewide Articulation Agreements

In an effort to simplify the articulation process, the Missouri Department of Elementary and Secondary Education has established statewide agreements that allow students to articulate high school credit to any Missouri two-year institution in the following career programs:

Automotive Technology Building Trades Culinary Arts Industrial Welding

Students must meet guidelines for the articulated credit. Full information is available at:
http://dese.mo.gov/divcareered/articulation_agreements.htm

Individual Articulation Agreements

In addition to the statewide agreements, MACTEC has entered into agreements with the various institutions for students who have completed their programs. Students enrolled in MACTEC block classes will be informed of articulation agreements within their specific program area.

WEIGHTED GRADES PROGRAM

A weighted grades program was adopted by the board of education in the spring of 2010. The following is the implementation schedule and how the program will work.

- All classes graduating after 2013 will use the weighted grade system listed below. • Weighted classes are any dual credit courses offered by Macon High School or the Macon Career Center plus Physics. A committee will meet annually to look at the classes that are offered by the high school and career center to evaluate if any classes should be added or removed from being a weighted class. This committee will be made up of two teachers, two counselors, two administrators and one school board member. There will be three members of the committee from the high school and three from the career center plus the one board member.
- The grade scale being used for weighted classes will add 0.33 to any letter grade received in a weighted class compared to a non-weighted class:

Grade Weighted Class

96 – 100% A 4.33
90 – 95% A- 4.00
87 – 89% B+ 3.67
83 – 86% B 3.33
80 – 82% B- 3.00
77 – 79% C+ 2.67
73 – 76% C 2.33
70 – 72% C- 2.00
67 – 69% D+ 1.67
63 – 66% D 1.33
60 – 62% D- 1.00
0 – 59% F 0.00

Anyone taking a weighted course (whether you take it for dual credit or not) will receive grade points

based on the weighted grading scale.

Academic honors are figured on the total number of credits taken. Students and parents need to understand that taking more or less credits, both weighted and non-weighted, will affect the final grade point average. If you have any questions, consult with the counselor's office.

HONOR ROLL

Students must attend school full time (7 hours) to be eligible for the honor roll. Each grading period the honor roll will be published for students meeting the following criteria:

A – Honor Roll: Students having an A average.

B - Honor Roll: Students having a B average.

CREDIT RECOVERY PROGRAM

Students that have two or more semesters of core classes that must be retaken to meet graduation requirements may qualify for a credit recovery program during the regular school day. Space for this program is limited. Check with the high school counselors to see if you meet the requirements for this program.

All credit recovery classes taken will be recorded as pass/fail grades on student permanent transcript records.

A+ SCHOOL PROGRAM

Macon County R-I School District has been designated as an A+ School by the Missouri State Board of Education at the April 1999 meeting. There are three goals of the A+ School Program. 1. All students will graduate from high school.

2. All students will take a challenging selection of courses

3. All students will go on to post-secondary education or a high wage job through this program

A+ student's will be eligible for reimbursement of the cost of tuition, and fees to public community colleges or technical schools after high school graduation. Reimbursement could change if the state doesn't fully fund the program. To be eligible a student must:

1. Attend a designated A+ School for three years.

2. Graduate with a 2.50 or higher grade point average on a four point grade scale. 3. Have at least a ninety-five percent (95%) attendance record (no more than eight (8) absences each year. Any day that you are absent from school for any reason will count against the 95% attendance rate required by this program except school activities and field trips. 4. Perform fifty (50) hours of unpaid tutoring or mentoring for younger students. 5. Maintain a record of good citizenship and avoidance of the unlawful use of drugs. 6. Make a good faith effort to first secure all available federal postsecondary student financial assistance funds that do not require repayment.

7. Register with the Selective Service.

Students that fail a random drug test through the random drug testing program initiated at Macon R-I High School will lose their A+ eligibility. Any student that has consented to be part of the student drug testing program, is randomly selected, and refuses to be tested at any time will lose their A+ eligibility. For more information on this topic read policy JFCI-AP and JFCI. These policies are available at the following website: www.macon.k12.mo.us

More information about the A+ Program is available in the guidance office.

ACADEMIC DISHONESTY

1st Occurrence – On the first offense of cheating in any class the student will receive a zero (F) on that particular work. The building principal will be notified and the assignment will be placed on file. The teacher will inform parents.

2nd Occurrence – On the second offense of cheating in any class, the maximum penalty will be failure in that particular class for the semester. The teacher will notify the parents and the student's work will be placed on file.

SEVENTH SEMESTER GRADUATION

Although we do not encourage seventh semester graduation, the Macon County R-I School does offer this alternative made possible by the State Department of Education. Seventh semester graduation is possible if the following requirements are met in advance.

- 1) The student in writing, stating the planned program for the eighth semester must request permission for seventh semester graduation. This request must be made by December 1 of the seventh semester.
- 2) A student must have completed all graduation requirements and have a total of twenty-four units of credit by the end of the seventh semester.
- 3) A student's eighth semester program must be in one of these areas: enrolled in college or a vocational trade school as a full time student, work, or enlist in the armed services.
- 4) Students taking a college English course to fulfill the final semester of English credit needed for graduation must have the college class approved by the high school administration prior to taking the course if it is to count towards meeting graduation requirements for high school.
- 5) Students will be permitted to participate in graduation ceremonies unless they request their diploma be received at the end of the 7th semester.
- 6) Students will not be eligible to participate in any school activity after the seventh semester. This includes academic, athletic or social functions.
- 7) A student requesting seventh semester graduation will not be readmitted to the Macon Schools after 8 school days of the third quarter.
- 8) Before a final decision can be made, there must be a conference with parents, counselor and principal for the purpose of explaining in detail this policy.
- 9) The high school principal and counselors will consider unique situations on an individual basis.

SECTION IV – STUDENT ORGANIZATIONS AND ACTIVITIES

EXTRA-CURRICULAR ACTIVITY POLICY

Extra-curricular activities are any school sponsored activity that takes place outside the regular class setting and time. Following is a list that should be observed by sponsors, students, and parents to improve communication and avoid possible misunderstandings.

[TABLE OF CONTENTS](#)

- 1) Students are under the direction of the sponsor or coach.
- 2) Students are to be on time for scheduled practices, events, or performances.
- 3) When the activity is away from the home school, students are to ride school provided transportation to and from the activity, unless prior arrangements are made with the principal. The only exception is the

If students do not ride school transportation to an event, they will not be allowed to participate or perform. Special circumstances will be evaluated on an individual basis by the coach and building administration.
- 4) The students are responsible for taking care of the equipment and uniforms that are checked out to them. If lost or destroyed through carelessness of the student, the student will be charged the replacement cost.
 - 5) A signed statement by parent or guardian is required if your child is covered by family insurance or school insurance. A participant insurance form or a signed statement should be turned in to the coach or sponsor before practice starts. The forms may be picked up from the coach or sponsor.
 - 6) Poor citizenship in school/out of school may result in being removed from an extracurricular activity. (See Citizenship Policy)
 - 7) If a student is absent on the date of a contest/practice or school activity without being excused by the principal, he/she shall not be considered eligible to participate in that contest/practice. Students must be at school the last half a day to participate in a contest. (4 of 7 periods). If the activity occurs on a day when school is not in session, the student must have attended on the prior school day at least a half day. Extenuating circumstances will be considered on a case by case basis by administration.
 - 8) High School Academic Standards – Every student must earn three (3) units of credit in the proceeding semester and be enrolled in at least three (3) units of credit in the current semester to be eligible.
 - 9) For a student to be excused from practice, he/she must have a written note from their parents stating the reason. The coach/sponsor will have the authority to evaluate the excuse to determine if it is excused or unexcused.

STUDENT DISCIPLINE CODE

The discipline code is designed to foster self-discipline in the students of Macon High School, to protect the student body from dangerous and/or disruptive forces within the school, and to notify students and parents of behavioral expectations and the suggested interventions, which will be

[TABLE OF CONTENTS](#)

used in most cases of student misconduct.

The following interventions will be used to address student misconduct.

- a. Teacher detention: Detention assigned by a teacher and served by the student in the instructional area assigned to the teacher.

- b. After School Detention: Is scheduled from 3:30 p.m. until 4:30 p.m. every week they are required. Students assigned are expected to bring homework, or an appropriate book that will keep them on task and quiet. Students must arrive on time. The detention will start on time.
- c. Saturday Morning Detention: Saturday morning detention is scheduled to start at 8:00 a.m. and end at 11:00 am. It will be held as needed. You must be on time or you will not be allowed to attend Saturday morning detention.

- e. Out of school suspension: Suspension from school for a specified period of time. The student will not attend school sponsored activities or be on school grounds during the term of the suspension. The student is expected to complete the class assignments for each class. School work completed during the suspension will earn 60% of the pts. available for the assignment.
- f. Semester suspension: Suspension from school for the remainder of the present semester or up to ninety days as recommended by the principal and assigned by the superintendent. The student is not to attend school-sponsored activities or to be on school grounds during the term of the suspension.

DISCIPLINARY RESPONSES TO STUDENT MISCONDUCT

LEVELS OF STUDENT CONDUCT

LEVEL I. Minor misbehavior on the part of the student, which disrupts orderly classroom procedures or interferes with the orderly operation of the school. These misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school support personnel.

EXAMPLES

Classroom disturbance Failure to comply with school rules and regulations Classroom tardiness Unnecessary roughness
 Abusive language Minor failure to comply with bus regulations Dishonesty/Plagiarism
 Bullying
 Verbal & Non-verbal Obscenities Violation of Shop Safety Rules
 Defiant failure to complete assignments or carry out directions

DISCIPLINARY RESPONSE PROCEDURES

This is immediate intervention by the staff member who is supervising the student or who observes the misbehavior. Repeated misbehavior may require a parent/teacher conference or conference with the counselor and/or administrator. A proper and accurate record of out of the ordinary offenses and disciplinary action is maintained by the staff member.

SCHOOL OPTIONS

Parent contact/conference Non-academic tasks
 Verbal reprimand Behavioral contract
 Counseling Withdrawal of privileges
 Strict supervised study Classroom detention
 Assigning seat ISS

[TABLE OF CONTENTS](#)

Saturday Detention

LEVEL II. Misbehavior whose frequency or seriousness tend to disrupt the learning climate of the school. These infractions, which usually result from the continuation of LEVEL I misbehaviors, require the intervention of personnel on the administrative level because the execution of LEVEL I disciplinary options has failed to correct the situation. Also included in this level are misbehaviors which do not represent a direct threat to the health and safety of others, but whose educational consequences are serious enough to require corrective action on the part of administrative personnel. **EXAMPLES**
Repetition of LEVEL I misbehaviors Insubordination Inappropriate physical behavior School tardiness Truancy Cutting Class

Tobacco/E-cigarette use or possession Fighting (minor) Vandalism (minor)

Using forged notes or excuses Disruptive school behavior

Unauthorized possession of others' personal property Bullying

DISCIPLINARY RESPONSE PROCEDURES

The student is referred to the administrator for appropriate disciplinary action. The administrator meets with the student and/or teacher and affects the most appropriate response. The teacher is informed of the administrator's action.

A proper and accurate record of the offense and the disciplinary action is maintained by the administrator.

SCHOOL OPTIONS

All **LEVEL I** options plus the following:

restitution Behavior modification Loss of released time Pre-school detention Peer

counseling Citizenship assignment Suspension from participation Detention In-school

suspension Temporary loss of transportation privilege Saturday detention

Bus conduct report mailed to parents

Referral to outside agency and/or suspension from attendance at extracurricular activities

LEVEL III. Acts directed against persons or property but whose consequences do not seriously endanger the health or safety of others in the school. These acts might be considered criminal, but most frequently can be handled by the disciplinary mechanism in the school. Corrective measures, which the school should undertake, however, depend on the extent of the school's resources for resolving the situation in the best interest of all students.

EXAMPLES

Fighting Inappropriate or suggestive attire

Vandalism Possession/use of stolen property

Possession/use of unauthorized substances Stealing

Verbal and non-verbal obscenities Serious threats to others

Dishonesty Major disruptive school behavior

Unlawful trespassing Failure to comply with bus regulations Careless and imprudent operation of a motorized vehicle

Offensive action and/or language directed toward employees (including SRO)

DISCIPLINARY RESPONSE PROCEDURES

The administrator initiates disciplinary action by investigating the infraction and conferring with staff on the extent of the consequences.

The administrator meets with the student and confers with the parent about the student's misconduct and the resulting disciplinary action.

A proper and accurate record of offenses and disciplinary actions is maintained by the administrator.

LEVEL IV. Acts which result in violence to a person or property or which pose a direct threat to the safety of others in the school. These acts are clearly criminal and are so serious that they always require administrative actions, which result in the immediate removal of the student from school, the intervention of law enforcement authorities and action by the administration and board of education.

EXAMPLES

Repetitive Level III behaviors Vandalism
Extortion Theft/possession/sale of stolen property Arson Possession/use/transfer of dangerous weapons Bomb threat Furnishing/selling/possession of unauthorized substances Assault/battery

DISCIPLINARY RESPONSE PROCEDURES

The administrator verifies the offense, confers with the staff involved, and meets with the student. The student is immediately removed from the school environment. The parents are notified by the Student Behavior Disciplinary Action Report. School officials contact law enforcement agencies and assist in prosecuting offenders. A complete and accurate report is submitted to the superintendent for board action. The student is given a full due process hearing before the board. **SCHOOL**

The school will always involve the parent or guardian in the process of student discipline. Any offense, which constitutes a "serious violation of the district's discipline policy" as defined in Board Policy JGF, will be documented in the student's discipline record.

CORPORAL PUNISHMENT AND SUSPENSION

Corporal punishment will not be used in the high school. Any pupil who is guilty of violent or continued opposition to reasonable authority, repetition of an offense after notice, habitual and determined neglect of duty, or whose general bad conduct and example tend to injure the school morale, may be suspended by the Principal for a period not to exceed ten (10) days. It is the intent of the school district to keep the parent/guardian informed regarding serious or persistent disciplinary matters pertaining to their children and to solicit their cooperation in bringing about improved pupil behavior. Parents/guardians shall be informed by means of a Student Behavior Disciplinary Action Report brought home by the student involved as soon as possible in situations involving suspension from school. (Exceptions to the prior notice requirement may occur if a student's behavior creates a situation that cannot be tolerated or a situation that endangers other students.) The following specific procedures should be observed in any situation involving suspension.

- 1) Parents/guardians should be notified by means of a Student Behavior Disciplinary Action Report brought home by the student involved before the suspension becomes effective.
- 2) Official notification of a pupil's suspension, for more than three (3) days, should be made to the

parent/guardian of the pupil in writing. The written notification should include a brief summary of the

TABLE OF CONTENTS

situation and reasons for the suspension.

- 3) Parents/guardians should be provided the opportunity for a personal conference regarding the reasons for the suspension and conditions under which the pupil may be permitted to re-enter school.
- 4) Parents/guardians or school personnel may wish to involve others in the conference if it is believed that they can contribute to a better understanding of the situation.
- 5) The decision of the Principal may be appealed through every level of administration of the school system.
- 6) If there are not enough school days remaining in a school year to complete a ten (10) day, thirty (30) day, or a school board specified suspension from school, it will carry over to the following year. A senior who is on suspension from school at commencement time will not be allowed to participate in the graduation exercises. A record should be made of the reasons for the suspension, the results of the conference with the pupil's parent/guardian, and the conditions under which the pupil may be allowed to re-enter school. Any suspension shall be reported to the office of the Superintendent of Schools.

SEARCHES AND SEIZURES

Macon High School reserves the right to ensure that all students and staff have a safe environment. At times when there is a reasonable suspicion, there may be a need to make searches and seizures at MHS. While on school property, MHS administration may conduct appropriate searches of persons, book bags, cars, lockers, and other property. Drug dogs may be utilized to conduct random drug searches indoors and outdoors on school property. Computer files created and/or stored on the Macon Public School servers are considered property of the MPS and can also be searched. (see *policy JFG*)

WEAPONS POLICY

The possession or use of a weapon by any person, except where authorized by law, shall be prohibited in all school buildings, on or about school grounds, and at all school activities. A weapon

shall be defined as any instrument or device customarily used for attack or defense against an opponent, adversary or victim, or any instrument or device used to inflict physical injury or harm to another person. Violators of this policy may be referred to the appropriate legal authorities. In addition, any student who violates this policy will be subject to suspension and/or expulsion from school. In accordance with federal law, any student who brings or possesses a firearm (as defined in 18 U.S.C. 921) on school property will be suspended from school for at least one calendar year. The suspension may be modified on a case-by-case basis upon recommendation by the Superintendent to the Board of Education. In addition, any person who has been determined by school officials to have brought a firearm to school will be referred immediately to local juvenile and/or law enforcement agencies. Legal Refs: Sections 571.010, .030, RSMo. 18 U.S.C. 921. Elementary and Secondary Education Act of 1965 as amended by the Gun-Free Schools Act of 1994 Adopted: May 22, 1995

ALCOHOL AND ILLEGAL DRUG POLICY

It is the policy of Macon Public Schools that possession, use, and/or distribution of alcohol as defined in Chapters 311 and 312 RSMo and illegal drugs as defined in Chapter 195 RSMo are strictly

prohibited in school buildings, on school buses, and at all school-sponsored activities, regardless of location. Professional personnel should carry on intensive continuing programs of education designed to fully inform students about the dangers of the use, misuse and abuse of drugs and alcohol.

[TABLE OF CONTENTS](#)

To insure fair and equitable enforcement of the policy, the following guidelines are set forth: 1. It is recognized that the use of drugs and alcohol is illegal, severely impairs the educational process of the student using them, and disrupts the education of other students. In view of this, no distinction will be made in penalties for the abuse of either illegal drugs or alcohol. 2. All students involved in the possession, use, and/or distribution of drugs or alcohol in school buildings, on school grounds, on school busses, and at all school sponsored activities (regardless of location) will be subject to the Macon County R-I School District "Discipline Code".

3. When appropriate, students may be required to seek counseling and treatment for drug and/or alcohol problems. The required counseling will be completed at the students' or parents' expense.

4. Drug searches using dogs are possible at random times during the school year. These searches may occur on any part of school property, including school parking lots. 5. The Board of Education recognizes that extracurricular activities as set forth by the Missouri State High School Activities Association are not required of students and therefore, participation is a privilege. Participation in extracurricular activities is suspended for the possession, use, and/or distribution of drugs or alcohol by any student. Suspension will follow the guidelines as set forth in the Citizenship policy guidelines found in the Activities Handbook.

STUDENT DRUG TESTING PROGRAM

Macon R-I Schools has implemented a student drug testing program. The purpose of this program is to deter chemical abuse or misuse by our students. It is not the purpose or intent of the district's drug testing policy to identify students for punishment under the district discipline code for incidents resulting from student drug tests. However, the program does not affect other policies and practices of the school in dealing with drugs or alcohol use or possession where reasonable suspicion is obtained by means other than the mandatory and random sampling discussed here.

- The student drug testing program is mandatory for all students participating in activities recognized by MSHSAA or any clubs or organizations of Macon R-I Schools in grades 7-12 as well as those who park on school property. All students involved in the covered activities will be included in the random pool for testing throughout the school year.
- Once a student's name enters the testing pool, they will be in the pool the remainder of the school year and subject to random testing.
- If the student and the student's parents both consent, students who are not participating in any of the covered activities may become part of the random testing pool. Once they enter the program they are under the same guidelines as any other student participating in a covered activity.
- A student may refuse to be randomly tested, but if he or she chooses to do so, he or she will immediately be suspended from participating in covered activities for 365 calendar days.
- Any student who is enrolled in the A+ program and has a positive drug test will be removed from the program and is ineligible for all benefits from the A+ program. Any student who is enrolled in the student drug testing program and refuses to be tested when they are selected will be ineligible for all benefits from the A+ program.
- All new students enrolling after the school term begins along with their parents/guardians will meet with the Activities/Athletic Director to review the policy.
- Students should refer to the Board Policy JFCI and JFCI-AP for requirements to be reinstated after failing a student drug test.

TOBACCO FREE CAMPUS

Missouri state law prohibits smoking and use of all tobacco products in any classroom or facility, which houses students, and on any school bus. Use of tobacco products is banned in all school facilities, buildings, and buses and on all grounds at all times. Missouri law extends to all employees working in the school district, students, patrons and employees attending school-sponsored athletic events and meetings. The Board of Education issues this ban in a sincere appeal to all employees, students and patrons to cooperate in discouraging the use of tobacco products by youth and helping to create a healthy environment for all.

HEALTH SERVICES

If you have an accident in the school building or on the school grounds, it is necessary that a report be made immediately to the office of the principal so that a school nurse can be called. Only first aid treatment will be given and, if necessary, your family will be notified so that further treatment may be given by your family physician. A registered nurse is available at school. The school does not pay for treatment. If you become ill while at school a teacher will give you a corridor pass to go directly to the nurse. Upon returning from the nurse, the student is to return to his class, being admitted by the same pass by which he was excused, if signed by the school nurse. If it is the nurse's decision for the student to go home, the parents or guardian must be notified before the student leaves. After the proper persons are notified the student is to sign out in the high school office.

ADMINISTERING MEDICINES TO STUDENTS

All medications must be stored in the school nurses' office. Medications will not be dispensed unless the following requirements are met:

I. Prescription Medication

- A. The student's physician shall provide the school with a written request that the student be given medication during school hours. The request shall state the name of the student, name of the drug, dosage, frequency of administration, and how the medication is to be given and the doctor's name. The prescription label will be considered an equivalent of the physician's orders for short-term medication. When possible, descriptions of any adverse effects and any applicable emergency instructions will be provided.
- B. The parent/guardian will provide a written request that the school district complies with the physician's request to give medication. The district will not administer the first dose of any medication.
- C. The parent/guardian will supply the medication in a properly labeled container from the pharmacy with only those doses to be given at school, and with instructions for any special need for storage, e.g. refrigeration. The medication will be delivered to the school by the parent/guardian or other responsible adult. Medication supplies should not exceed a 30-day supply. Do not send any medication in envelopes, plastic wrap, lunch boxes, etc. All medications must be in original containers. Your pharmacist will provide an extra properly marked container.

II. Over-the-counter medication.

Written permission must be obtained from a parent/guardian to administer over-the-counter medications from home or which have been prescribed. This permission must be renewed

at least annually. Occasionally your child may unexpectedly need medication during a school day. For these occasions, the school nurse maintains a **LIMITED** supply of over-the-counter medications. If your child needs such medications for an extended time or

[TABLE OF CONTENTS](#)

for a chronic condition, you must supply the medication.

III. Self-Administration of Medication under Safe Schools Act

A. A physician may recommend that an individual student with a chronic health condition, such as asthma or other potentially life-threatening respiratory illness, assume responsibility for his or her own medication as part of learning self-care. The Board may permit such a student to self-administer medication by way of a metered-dose inhaler, provided that the following conditions have been met:

To self-administer this medication, children MUST have on file with the school:

Written authorization by the parent/guardian

Medical history of the student's asthma

A written Asthma Action Plan to address emergencies and the care of asthma while in school

In addition, written authorization must be provided from the prescribing physician that the child has asthma, has been trained in the use of the medication, and is capable of self-administering the medication. The school incurs no liability as a result of the self-medication of the student and permission for self-medication must be renewed every school year.

IV. Immunizations

A. A state law requires that a child must be totally immunized according to the state requirements before they can attend any school in the State of Missouri. Therefore, your child will not be able to start school until all their shots are complete and on file with the school nurse. If there is a question whether your child is adequately immunized please check with your doctor, the school nurse or the County Health Department.

V. Contagious Illness Management

A. Children with contagious illness should not be brought to school. Students should not come to school if during the previous 24 hours they exhibit any of the following symptoms:

A temperature of 100 degrees or greater

Vomiting or diarrhea

An unusual or unexplained rash, unrelenting and itchy

Persistent cough

Told by doctor they are still contagious

Children with chickenpox are to remain at home a minimum of six (6) days after the first appearance of the rash. They may return to school when all lesions are crusted over.

ASBESTOS NOTICE

The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA), was enacted by Congress. AHERA was enacted to determine the extent of and develop solutions for any problems schools may have with asbestos.

We have had our facilities inspected by a certified asbestos inspector, as required by AHERA. The inspector located, sampled, and rated the condition and hazard potential of all material in our facilities

suspected of containing asbestos. The inspection and laboratory analysis records were turned over to a professional, certified to develop asbestos management plans.

The engineer has developed an asbestos management plan for our facilities, which includes a notification letter, education and training of our employees, a set of plans and procedures designed to minimize the disturbance of the asbestos-containing materials, and plans for regular surveillance of the asbestos-containing materials.

A copy of the asbestos management plan is available for your inspection in our administrative office during regular office hours. Steve Shoush, Director of Maintenance, is our Asbestos Program Manager. All inquiries regarding the plan should be directed to him at Macon County R-I School, 702 N Missouri St., Macon, MO 63552, and phone (660)385-2198.

We have begun implementing the asbestos management plan. We plan to take whatever steps are necessary to ensure your children and our employees have a healthy and safe environment, in which to learn and work.

TABLE OF CONTENTS

are:

1. The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the principal or appropriate official, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. (Optional) Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures

6. In addition, eligible students may enroll in virtual courses offered through the Missouri Course Access Program (MOCAP). The district will accept all grades and credits earned through district-sponsored virtual instruction and MOCAP.

The district will pay the costs of a virtual course only if the district has first approved the student's enrollment in the course as described in this policy. Even if a student or his or her parents/guardians pay the costs for a virtual course, the student or parents/guardians should meet with the principal or designee prior to enrollment to ensure that the course is consistent with the student's academic and personal goals.

The district is not required to provide students access to or pay for courses beyond the equivalent of full-time enrollment. The district will provide supervision for students who take virtual courses in district facilities but will not provide supervision for students taking virtual courses offsite.

Students taking courses virtually are subject to district policies, procedures and rules applicable to students enrolled in traditional courses including, but not limited to, the district's discipline code and prohibitions on academic dishonesty, discrimination, harassment, bullying and cyberbullying. (see *policy IGCD*)

STUDENT RIGHTS AND RESPONSIBILITIES

The Board of Education believes that students have rights, which should be recognized and respected. It also believes that every right carries with it certain responsibilities. Among these student rights and responsibilities are the following:

- 1) The right to attend free public schools; the responsibility to attend school regularly and to observe school policies, rules, and regulations deemed essential for permitting others to learn at school.
- 2) The right to quality education; the responsibility to put forth the best efforts during the educational process.
- 3) Civil rights – including the rights to equal educational opportunity and freedom from discrimination; the responsibility not to discriminate against others.
- 4) The right to free inquiry and expression; the responsibility to observe reasonable rules and regulations regarding these rights.
- 5) The right to due process of law with respect to suspension, expulsion, and decisions, which the student believes, injure their rights.
- 6) The right to privacy, which includes privacy in respect to the student's school records.

It is the Board's belief that, as part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board to make and delegate authority to its staff and to make rules and regulations regarding orderly operation of the district schools. If the policy guidelines adopted by the Board are to be successful, it must be understood that school officials and teachers have the authority to interpret and apply policy in a given situation. Students must obey any

such interpretation subject to an appeal.

Schools must be a place where students are encouraged to learn. Standards of conduct are established by the Macon County R-I Board of Education to create an environment in which each student's right to learn is protected.

Students and their parents/guardians will be notified of their rights and responsibilities, including standards of conduct, through handbooks distributed annually. When the rights and responsibilities of individuals are clearly understood, the elements of respect and cooperation will result in the harmonious and constructive education of the student.

SNACK/PARTY TREATS

The Macon R-I District will follow "packaged food only" guidelines for birthday parties, holiday parties, and other special occasions. All food items brought to school need to be either prepackaged or prepared professionally by the grocery store or other business that is licensed to prepare food. Homemade items will not be served. Items such as this will need to have a nutrition facts label. This will allow for a higher level of screening regarding food distribution to a growing number of students with food allergies and/or other conditions such as diabetes, etc. In coordination with the Macon R-I Health and Wellness Policy, parents are encouraged to send healthy snacks and beverages for party treats. Food prepared and brought to be sold at concession stands or for carry-in banquets will be exempt from this policy.
