Important Information About Classroom Placement at Macon Elementary
Consideration is given to academic, behavioral and social/emotional needs of students when assigning students to individual sections or classrooms at each grade level.
While requests for particular classroom placements or teacher are NOT taken, parents do have the opportunity to provide input or express any concerns regarding a particular classroom placement by submitting a letter in a sealed envelope to the attention of the Elementary Principal (Susan Hazen) by Friday April 12th.

### February Golden Note Awards

**Make good choices**

**Use good manners and be nice**

**Speak when the teacher allows it**

**Involve yourself in activities**

**Care for the music room equipment**

### February Golden Palette Awards

Each class has the possibility to earn 5 points each day in art class. The highest average points earns the Golden Palette for that month. The first point is the ready to learn point. **(HABIT 2)**Classes earn this by beginning with the end in mind, entering the classroom quietly so we can get started right away. The middle three points are earned by being proactive and working quietly **(HABIT 1)**, following directions while seeking first to understand before being understood **(HABIT 5)**, and putting first things first **(HABIT 3)**. The last point is our clean up point, and is earned through using synergy **(HABIT 6)** as a class effort to put things away and prepare the room for the next class.

### February Golden Keyboard Awards

In February, Kindergarten and 1st grade worked on typing their new sight words, or words introduced in Fundations using the welded(glued) sounds "ong", "ing", "ang", and "ung. After they get their work done, they are allowed to play games on ABCYA that has them type letters. Second and Third grades continued to familiarize themselves with the keyboard on the Chromebook using Dance Mat Typing and Typing.com. The last 15-20 minutes of class was usually spent playing keyboarding games on ABCYA.

Fourth and Fifth grades also worked on Typing.com and Dance Mat Typing during February. At the end of class they are allowed to play keyboarding games and also games on Interland. Interland is a group of 4 games which reinforce the units on Digital Citizenship – Be Internet Awesome, which we have learned about throughout the year.

The Macon boys basketball program will be hosting a basketball day camp on Saturday, March 16th for Elementary and Middle School students. We will focus on skill development and teach them drills they can work on at home. High School basketball players will be working with the kids at the camp.

**Macon Tiger Basketball Day Camp**

**March 16th, 2019**

**Grades 3rd-5th:** 8:00 am - 9:30 am  
**Grades 6th-7th:** 9:45 am - 11:15 am

**Location:** High School Gym  
**Cost:** $5 (no sign up necessary, just show up with $5)

All proceeds will be used for the Macon High School boys basketball program.

**Macon Baseball Association** is excited about the upcoming 2019 Recreational League season for Softball, Baseball and T-Ball. If you haven’t had a chance to register, please take a moment and do so online [https://maconbaseballassociation.siplay.com](https://maconbaseballassociation.siplay.com). You will need an email address to register and can pay with a credit card or mail a check to the association after registering your player online.

If you would prefer to complete a printed application in person, please contact Craig Fuller, MBA Board Member, for an application at the Public Administrator's Office at the Courthouse in Macon. Our goal is to have players registered prior to the draft on March 26, 2019. There is a late fee of $20 if your player is registered after March 20, 2019. **First-time T-Ball players must be Age 5 by May 1, 2019.** Other age requirements by division can be found on the website.

What is SOS?

Science on Saturday is a fun day of activities to get kids excited about math and science and it’s completely free of charge! We’re inviting you to come to Truman State University in Kirksville, MO and attend fun science classes, such as “Build-a-Body”, “Microbe Mania”, “Eyes on the Prize”, and “Let’s Talk About Chocolate”. For confirmed class offerings, descriptions, and more info, visit http://sos.truman.edu/

How do I sign up?

1. Online registration will be open March 4 - March 15.
2. Create an online account at http://sos.truman.edu/registration/.
3. Click “Account Options”, then “Add Student” to add information about your 2nd-5th grade student(s).
4. Under “Enroll Student”, choose a student to enroll and then select from the available classes!*
5. If you experience any problems during registration or have any questions or concerns, please contact Beta Beta Beta’s Service Co-Chairs, Laura Weishan and Kaylin Albin (preferably by e-mail).
6. Report to Magruder Hall, Room 2001 (main floor) at the beginning of your student’s session. Directions to Magruder Hall and Room 2001 can be found at http://sos.truman.edu/directions/.

*While we will try to make sure students get the classes that they choose, we cannot promise the classes they want will be available or the session(s) the classes are offered will not change.
