Macon PAT Trike Night!
February 26
Macon Elementary Gym
5-6 PM

Bring your kiddos (up to age 5 and not in kindergarten) and come have some fun riding tricycles through an obstacle course! We will provide the tricycles and have a few helmets on hand, but you are welcome to bring your own, special helmet from home! If you have a smaller child who is not pedaling a tricycle yet, feel free to bring your own balance bike! If you have little, littles, bring them in your stroller and roll them through our obstacle course! Experiences are great for brain development! There will be additional activities aside from the obstacle course, too!

This is a **free event**, for children birth up to age 5 (that have not entered kindergarten) only. **You do not have to be enrolled in our PAT program to participate. Come out and join the fun!**
