Please Keep Toys at Home

Please do not allow your child to bring toys to school. Stuffed animals, small toys, blankets, etc. should all be kept at home so that there is no disruption to the learning environment.

We appreciate your help.

Water Bottles:

Please only send water bottles with screw-on lids.... we are getting a lot of spills.

Additionally, students should only be bringing water to school (not coffee, soda, etc.)

Important Information About Classroom Placement at Macon Elementary

Consideration is given to academic, behavioral, and social/emotional needs when assigning students to individual sections or classrooms at each grade level. While requests for particular teachers are NOT accepted, parents do have the opportunity to provide input about the best learning environment for their child or express concerns regarding a particular classroom placement. If you wish to do so, submit a letter in a sealed envelope to attention of Stacy Quinn (Elementary Principal) or email her at squinn@macon.k12.mo.us by Friday, April 12th.
